Studies in the Fourth Gospel Leon Morris, 2006-06-01

These in depth studies on the Gospel of John written by the man who describes himself as a conservative evangelical demonstrate that the application of the critical method to an understanding of scripture need not rule out an acceptance of inspiration Dr Morris is here concerned with the authorship of the fourth Gospel its relation to the Synoptists the origin and date of writing and with other similar issues To his discussion of these issues he brings both his impressive scholarship and firm commitment to the revelatory nature of the Bible The result is an informed and articulate statement of the conservative position on the many crucial questions raised by John s Gospel In his Preface to this volume Dr Morris notes that Critical Protestant scholars and Roman Catholics are reading one another s works and discussing one another s writings with charity and mutual profit Perhaps it is not too much to hope that both will include the conservative evangelicals within the scope of their reading and charity In the hope that it will make some small contribution to the continuing dialogue this book goes forth

A Prologue to Studies in the Fourth Gospel Riku P. Tuppurainen, 2021-05-25

The Fourth Gospel both blesses and betrays It blesses readers who engage with its message but it may betray those who read it nonchalantly The notion that the Fourth Gospel is easy to understand is an enduring myth This volume takes readers on a heuristic journey to discover the Fourth Gospel s unique theological aspects problematic historical matters inimitable literary features and various interpretive approaches using an accessible format and easy to read language The purpose of this publication is to enable readers to appreciate the Fourth Gospel s wide horizon so necessary to understand its narratives in their historical and narrative contexts Like the prologue of the Fourth Gospel that introduces and gives perspective on how readers should approach the rest of the Gospel similarly this volume introduces and gives perspective to studies in the Fourth Gospel The text is divided into three parts which examine its independent theology and argumentation various outstanding issues and its interpretation respectively This volume is suitable for a wide readership from Bible study groups to pastors and from undergraduate to graduate students

Studies in the Four Gospels (Classic Reprint) William G. Moorehead, 2015-07-18

Excerpt from Studies in the Four Gospels This book is not an Introduction to the Four Gospels much less is it a Commentary on them It is intended to be just what its title indicates Studies Its aim is to point out as clearly and briefly as possible what is conceived to be the main design of the Spirit of God in these precious records Whether that design has been rightly interpreted and whether it has been adequately set forth it is left to the reader s judgment to determine In the prosecution of these Studies many books have been consulted References to them in the text are scanty chiefly because it seemed undesirable to burden the pages with them About the Publisher Forgotten Books publishes hundreds of thousands of rare and

classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Platt,2004 **Studies in the Four Gospels** Jesse Lyman Hurlbut,1880 **The Life of Christ** Duville Grant Christman,192? **The Four Gospels** Patrick Schreiner,2024-06-01 In *The Four Gospels Jesus the Hope of the World* Patrick Schreiner demonstrates the critical importance of the gospel narratives not only as the stories of our Savior but also as the climax of God's story **The Four Gospels** Christoph Rau,2024-04-16 When a theologian speaks of the widespread misconception nowadays that faith is an intellectual holding of what is possible they underpin a wretched reduction of faith Since the interest of New Testament studies shifted to philosophical details the word of the Bible was treated intellectually thus shaking the foundation of faith in many people Christoph Rau Could a deeper cause of today's myriad human troubles be related to a dwindling or even nonexistent familiarity with the four New Testament Gospels of Matthew Mark Luke and John This is the view of Christoph Rau for whom today's prevailing approach to theological research which treats the ancient religious texts more as literary products than authentic records of spiritual experience is if anything a contributing factor in our modern alienation from the spirit In this book Rau presents the results of five decades of research demonstrating the independent structure of each of the four canonical Gospels Through clear analyses he illumines the distinctive stylistic features of each composition revealing the design principles through which the meaning and goal of each Gospel can be understood Beyond the intrinsic value of each Gospel the author draws on their special features to explain how the spiritual richness of the four written works is fully revealed only by considering the pre-Christian religions because each of the

evangelists describes the incarnation of the Son of God from the perspective of his own mystery religion Furthermore the author succeeds in showing that the Gospels despite their seeming contradictions are elements of a common organism This book is a translation from German of *Die Vier um den Einen Wesensart und spiritueller Hintergrund der Evangelien* Verlag Dr Dieter Winkler 2008 [The American Catalog](#) ,1891 **The Temporal Mechanics of the Fourth Gospel** Douglas Charles Estes,2008-03-31 Spiritual but broken theological but flawed these are the words critics use to describe the Gospel of John Compared to the Synoptics John s version of the life of Jesus seems scrambled especially in the area of time and chronology But what if John s textual and temporal flaws have more to do with our implicit assumptions about time than a text that is truly flawed This book responds to that question by reinventing narrative temporality in light of modern physics and applying this alternative temporal lens to the Fourth Gospel From the singularity in the epic prologue to the narrative warping of event like objects this work explodes the elemental temporalities simmering below the surface of a spiritual yet superior Gospel text **Gospel Perspectives: Studies of history and tradition in the Four Gospels** R. T. France,David Wenham,1980 **Outlined Studies in the Four Gospels** Calvin C. Ratz,1961 [The State of New Testament Studies](#) Scot McKnight,Nijay K. Gupta,2019-11-05 This book surveys the current landscape of New Testament studies offering readers a concise guide to contemporary discussions Bringing together a diverse group of experts it covers research on the most important issues in New Testament studies including new discipline areas making it an ideal supplemental textbook for a variety of courses on the New Testament Michael Bird David Capes Greg Carey Lynn Cohick Dennis Edwards Michael Gorman and Abson Joseph are among the contributors
