Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus

that details their origins and underlying presuppositions as well as their ongoing influence on today's biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer's famous Old Quest to today's ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One sold separately covers the period from the beginnings of Christianity to the end of World War II Volume Two covers the period from the post War era through contemporary debates **A Labor of Love**

Stephen Yuille, 2013-08-07 Driven by the desire to be successful pastors are tempted to judge their ministries by the worldly standards of power prestige privilege and prosperity In contrast J Stephen Yuille reorients our understanding of pastoral ministry by presenting a standard of excellence measured by faithfulness humility and submission to God even when the results look unsuccessful in the eyes of the world Drawing from the Puritan minister George Swinnock Yuille expands on a list of sixteen heartfelt desires that Swinnock expressed for his own pastoral ministry Yuille's reflections on these timeless priorities are full of biblical insights and pastoral wisdom The book ends with Swinnock's farewell sermon to his congregation which serves as an encouraging example for all pastors who desire to love their people in Christ This book is a valuable guide for pastors as they seek to labor and love in the service of Christ Slave John F. MacArthur, 2012-11-05 A COVER UP OF

BIBLICAL PROPORTIONS Centuries ago English translators perpetrated a fraud in the New Testament and it's been purposely hidden and covered up ever since Your own Bible is probably included in the cover up In this book which includes a study guide for personal or group use John MacArthur unveils the essential and clarifying revelation that may be keeping you from a fulfilling and correct relationship with God It's powerful It's controversial And with new eyes you'll see the riches of your salvation in a radically new way What does it mean to be a Christian the way Jesus defined it MacArthur says it all boils down to one word SLAVE We have been bought with a price We belong to Christ We are His own possession Endorsements Dr John MacArthur is never afraid to tell the truth and in this book he does just that The Christian's great privilege is to be the slave of Christ Dr MacArthur makes it clear that this is one of the Bible's most succinct ways of

describing our discipleship This is a powerful exposition of Scripture a convincing corrective to shallow Christianity a masterful work of pastoral encouragement a devotional classic Dr R Albert Mohler President The Southern Baptist Theological Seminary John MacArthur expertly and lucidly explains that Jesus frees us from bondage into a royal slavery that we might be His possession Those who would be His children must paradoxically be willing to be His slaves Dr R C Sproul Dr John MacArthur s teaching on slavery resonates in the deepest recesses of my inner man As an African American pastor I have been there That is why the thought of someone writing about slavery as being a God send was the most ludicrous unconscionable thing that I could have ever imagined until I read this book Now I see that becoming a slave is a biblical command completely redefining the idea of freedom in Christ I don t want to simply be a follower or even just a servant but a slave The Rev Dr Dallas H Wilson Jr Vicar St John s Episcopal Chapel Charleston SC **Matthew For You** Tim Chester , Accessible commentary on the Gospel of Matthew enabling readers to treasure the glory of Jesus being God with us then now and eternally Use as a daily reading teaching or preaching resource Matthew s Gospel tells the story of Jesus Immanuel God with us Israel s Messiah and the hope of all nations If you are a Christian this is the story of your Savior King Matthew s Gospel is something of a training manual to show you how you can live within this wonderful story Unpacking the Gospel pastor and theologian Tim Chester helps readers to follow the contours of Matthew s writing seeing how Jesus fulfills the Old Testament what membership of his kingdom looks like in our lives and how the hope of Jesus is for the whole of the world God s Word For You resources are accessible commentaries They are designed for devotional reading or teaching prep or to help you dig deeper into the Bible Each commentary offers expository reflections on a book of the Bible and includes straightforward insights into history culture and more **The Expository Times** ,1890 *Jewish Traditions in Early Christian Literature, Volume 5 The Didache* H.W.M. van den Sandt,David Flusser,2002-01-01 This volume demonstrates that we should understand nascent Christianity and early Judaism as sharing to a large extent the same traditions It throws fresh light on the Jewishness of the Two Ways teaching in Didache 1 6 as it presents a cautious reconstruction of the Jewish prototype of the Two Ways and traces the Jewish life situation in which the instruction could flourish In the field of liturgical studies a significant contribution is made to the discussion of Didache 7 10 It improves our understanding of the Jewish provenance and historical development of Baptism and Eucharist The book also presents an intriguing look into the ministry of itinerant apostles and prophets Didache 11 15 considering the larger environment of Jewish religious and cultural history
