Studies In Translation:

Studies in Translation Ed. Mohit K. Ray, 2008 **Handbook of Translation Studies** Yves Gambier, Luc van Doorslaer, 2010-10-28 As a meaningful manifestation of how institutionalized the discipline has become the new Handbook of Translation Studies is most welcome The HTS aims at disseminating knowledge about translation and interpreting to a relatively broad audience not only students who often adamantly prefer user friendliness researchers and lecturers in Translation Studies Translation but also scholars experts and professionals from other disciplines among which linguistics sociology history psychology Moreover the HTS is the first handbook with this scope in Translation Studies that has both a print edition and an online version The HTS is variously searchable by article by author by subject Another benefit is the interconnection with the selection and organization principles of the online Translation Studies Bibliography TSB Many items in the reference lists are hyperlinked to the TSB where the user can find an abstract of a publication All articles are written by specialists in the different subfields and are peer reviewed **Why Translation Studies Matters** Daniel Gile, Gyde Hansen, Nike Kocijan, Pokorn, 2010-01-01 Whether Translation Studies really matters is an important and challenging question which practitioners of translation and interpreting raise repeatedly TS scholars many of whom are translators and interpreters themselves are not indifferent to it either The twenty papers of this thematic volume contributed by authors from various parts of Europe from Brazil and from Israel address it in a positive spirit Some do so through direct critical reflection and analysis arguing in particular that the engagement of TS with society should be strengthened so that the latter could benefit more from the former Others illustrate the relevance and contribution of TS to society and to other disciplines from various angles Topics broached include the cultural mediation role of translators issues in literary translation knowledge as intellectual capital globalization through English and risks associated with it bridging languages mass media corpora training the use of modern technology interdisciplinarity with psycholinguistics and neurophysiology *Translation and Cross-Cultural Communication Studies in the Asia Pacific*, 2015-06-24 Translation and interpreting T I and cross cultural communication activities in the Asia Pacific are unique in that they involve vastly different languages and cultures Such differences pose challenges for T I practitioners and researchers as well as scholars of cross cultural studies In Translation and Cross Cultural Communication Studies in the Asia Pacific Leong Ko and Ping Chen provide a comprehensive and in depth account of various issues encountered in translation and interpreting activities and cross cultural communication in the Asia Pacific The book covers six areas including translation research from the historical perspective and different issues in translation studies research on literary translation studies on translation for special purposes research on interpreting translation and interpreting training and research on issues in cross cultural communication **A Companion to Translation Studies** Piotr Kuhiwczak, Karin Littau, 2007-04-12 A Companion to Translation Studies is the first work of its kind It provides an authoritative guide to key approaches in translation studies All of the essays are specially commissioned

for this collection and written by leading international experts in the field The book is divided into nine specialist areas culture philosophy linguistics history literary gender theatre and opera screen and politics Contributors include Susan Bassnett Gunilla Anderman and Christina Sch ffner Each chapter gives an in depth account of theoretical concepts issues and debates which define a field within translation studies mapping out past trends and suggesting how research might develop in the future In their general introduction the editors illustrate how translation studies has developed as a broad interdisciplinary field Accompanied by an extensive bibliography this book provides an ideal entry point for students and scholars exploring the multifaceted and fast developing discipline of translation studies

The Turns of Translation Studies Mary Snell-Hornby, 2006-01-01 What's new in Translation Studies In offering a critical assessment of recent developments in the young discipline this book sets out to provide an answer as seen from a European perspective today Many new ideas actually go back well into the past and the German Romantic Age proves to be the starting point The main focus lies however on the last 20 years and beginning with the cultural turn of the 1980s the study traces what have turned out since then to be ground breaking contributions new paradigms as against what was only a change in position on already established territory shifting viewpoints Topics of the 1990s include nonverbal communication gender based Translation Studies stage translation new fields of interpreting studies and the effects of new technologies and globalization including the increasingly dominant role of English The author's aim is to stimulate discussion and provoke further debate on the current profile and future perspectives of Translation Studies

Descriptive Translation Studies--and Beyond Gideon Toury, 2012 A replacement of the author's well known book on Translation Theory In Search of a Theory of Translation 1980 this book makes a case for Descriptive Translation Studies as a scholarly activity as well as a branch of the discipline having immediate consequences for issues of both a theoretical and applied nature Methodological discussions are complemented by an assortment of case studies of various scopes and levels with emphasis on the need to contextualize whatever one sets out to focus on Part One deals with the position of descriptive studies within TS and justifies the author's choice to devote a whole book to the subject Part Two gives a detailed rationale for descriptive studies in translation and serves as a framework for the case studies comprising Part Three Concrete descriptive issues are here tackled within ever growing contexts of a higher level texts and modes of translational behaviour in the appropriate cultural setup textual components in texts and through these texts in cultural constellations Part Four asks the question What is knowledge accumulated through descriptive studies performed within one and the same framework likely to yield in terms of theory and practice This is an excellent book for higher level translation courses

Handbook of Translation Studies Yves Gambier, Luc van Doorslaer, 2012-12-17 As a meaningful manifestation of how institutionalized the discipline has become the new Handbook of Translation Studies is most welcome It joins the other signs of maturation such as Summer Schools the development of academic curricula historical surveys journals book series textbooks terminologies bibliographies and encyclopedias The HTS aims at disseminating knowledge

about translation and interpreting and providing easy access to a large range of topics traditions and methods to a relatively broad audience not only students who often adamantly prefer such user friendliness researchers and lecturers in Translation Studies Translation but also scholars and experts from other disciplines among which linguistics sociology history psychology In addition the HTS addresses any of those with a professional or personal interest in the problems of translation interpreting localization editing etc such as communication specialists journalists literary critics editors public servants business managers intercultural organization specialists media specialists marketing professionals Moreover The HTS offers added value First of all it is the first Handbook with this scope in Translation Studies that has both a print edition and an online version The advantages of an online version are obvious it is more flexible and accessible and in addition the entries can be regularly revised and updated The Handbook is variously searchable by article by author by subject A second benefit is the interconnection with the selection and organization principles of the online Translation Studies Bibliography TSB The taxonomy of the TSB has been partly applied to the selection of entries for the HTS Moreover many items in the reference lists are hyperlinked to the TSB where the user can find an abstract of a publication All articles between 500 and 6 000 words are written by specialists in the different subfields and are peer reviewed Last but not least the usability accessibility and flexibility of the HTS depend on the commitment of people who agree that Translation Studies does matter All users are therefore invited to share their feedback Any questions remarks and suggestions for improvement can be sent to the editorial team at hls@lessius.eu
