

# Kosovo-Serbia Tension

Serbs in Kosovo who opposed the issuance of uniform license plates resigned from all institutions in the country in November 2022. Following this, the Kosovo government declared that early local elections will be held on December 18, 2022, in four municipalities with a significant Serb presence. This led to a new crisis on 8 December 2022. The elections have been postponed until April 2023.

Reacting to the detention of former Serbian police officer Dejan Pantic on December 8, 2022, Kosovo Serbs set up barricades.

Kosovo Prime Minister Albin Kurti described the protesters as a "criminal gang" and asked NATO's Kosovo Task Force (KFOR) to remove the barricades.

Serbian President Aleksandar Vucic announced on 15 December 2022 that he will request the right to send 1000 Serb soldiers from KFOR to Kosovo.

The EU's Rule of Law Mission (EULEX) was attacked while on patrol.

The EU, NATO, and the USA all criticized the events in northern Kosovo.

The Kosovo Government has decided to postpone the elections to be held on 18 December 2022 until April 2023.

High Representative of the EU for Foreign Affairs and Security Policy Josep Borrell invited the leaders of the two countries to Brussels for negotiations.

## Studies On Kosova:

*Studies on Kosova* Arshi Pipa, Sami Repishti, 1984 A collection of papers related to the history culture and politics of Kosova by leading specialists      Understanding the War in Kosovo Florian Bieber, Zidas Daskalovski, 2004-08-02 The war in Kosovo has been a defining moment in post Cold War Europe Kosovo has great importance beyond the Balkans as the most ambitious attempt of the international community to prevent internal conflicts and rebuild a society destroyed by war and ethnic cleansing As the danger of ethnic conflict prevails in the region and elsewhere around the world the experience of Kosovo offers important lessons This is a comprehensive survey of developments in Kosovo leading up to during and after the war in 1999 providing additionally the international and regional framework to the conflict It examines the underlying causes of the war the attempts by the international community to intervene and the war itself in spring 1999 It critically examines the international administration in Kosovo since June 1999 and contextualizes it within the relations of Kosovo to its neighbours and as part of the larger European strategy in Southeastern Europe with the stability pact It does not seek to promote one interpretation of the conflict and its aftermath but brings together a range of intellectual arguments from some sixteen researchers from the Balkans the rest of Europe and North America      *Kosovo* Julie Mertus, 1999-08-09 Explores the foundations of conflict in Kosovo charging that the international community's failure to support the Albanians in their initial passive resistance to Serbian repression led to violence      **Kosovo, A Documentary History** Robert Elsie, Bejtullah D. Destani, 2018-01-30 The question of Kosovan sovereignty and independence has a history which stretches far back beyond the outbreak of war in 1998 This volume is a compilation of key documents on Kosovo from the first half of the twentieth century These texts including numerous diplomatic despatches from the British Foreign Office deal initially with the Albanian uprising against Ottoman rule in the spring of 1912 and in particular with the period of the Serbian invasion of Kosovo in late 1912 and the repercussions of the conquest for the Albanian population The documents from 1918 to the early 1920s focus mainly on endeavours by Albanian leaders including those of the so called Kosovo Committee in exile to bring the plight of their people to the attention of the outside world endeavours which largely failed Further documents reflect the situation in Kosovo up to the outbreak of World War II This collection provides new perspectives on the Kosovo question and includes many documents which have been largely unavailable up to now It sheds new light on many of the major and minor episodes that channelled and determined subsequent events including the Kosovo War of 1998 1999 and the declaration of independence in February 2008      **Kosovo** Dr Denisa Kostovicova, 2005-10-09 Kosovo The Politics of Identity and Space explores the Albanian Serbian confrontation after Slobodan Milosevic's rise to power and the policy of repression in Kosovo through the lens of the Kosovo education system The argument is woven around the story of imposed ethnic segregation in Kosovo's education and its impact on the emergence of exclusive notions of nation and homeland among the Serbian and Albanian youth in the 1990s The book also critically explores the wider context of the Albanian non violent resistance

including the emergence of the parallel state and its weaknesses Kosovo The Politics of Identity and Space not only provides an insight into events that led to the bloodshed in Kosovo in the late 1990s but also shows that the legacy of segregation is one of the major challenges the international community faces in its efforts to establish an integrated multi ethnic society in the territory

**Civil Resistance in Kosovo** Howard Clark, 2000-08-20 The world woke up to the conflict between Serbs and Kosovo Albanians too late when Kosovo erupted into full scale war in the spring of 1999 But many Balkans watchers were surprised war in Kosovo did not happen sooner In Civil Resistance in Kosovo Howard Clark

argues that war had been avoided previously because of the self restraint exercised by the Kosovo Albanians and their policy of nonviolence Prior to the Kosovo Liberation Army KLA s taking up of arms Kosovo Albanians had had a long history of civil resistance in the face of Serbian ultra nationalism They were committed to a strategy of nonviolent resistance even as they were harassed by Serbian police vilified in racial terms and excluded from jobs education and government benefits Excluded from the 1995 Dayton Agreement Kosovo became a breeding ground for frustration and ethnic strife ultimately leading to war and the NATO bombings The author traces the historical evolution of the Kosovo Albanians struggle from peaceful demonstrations to the KLA backlash covering the 1980s to the present day In assessing the achievements and limitations of nonviolence Clark explains why the policy was ultimately abandoned and how it could have been made more effective Importantly this book draws on the lessons of Kosovo to provide suggestions for future peace building Kosovo and Metohija : Living in the Enclave Dušan T. **Conflict Studies** ,1993 The Making of Modern Kosovo Jakup Azemi,2025-06-26 This book traces the origins and success of Ibrahim Rugova s policy of nonviolence in Kosovo between 1989 1999 and how it laid the framework for the creation of Kosovo s cultural and political identity as an independent state Ibrahim Rugova has long been neglected in understanding how Kosovo became an independent state with most observers concentrating on the Kosovo Liberation Army and the armed conflict of 1999 in which NATO was involved Jakup Azemi seeks to remedy this arguing that despite the events of 1998 99 local actors and their political organisation mattered much more than is widely recognised Rugova s movement represented a novelty not only for the Albanians but for the whole Balkan region He developed a vision that integrated Albanians cultural and historical experiences into the non violent movement and presented the Kosovan conflict to the world with a different political and cultural lens This is a key text for scholars interested in the history of the Kosovar liberation movement the dissolution of the former Yugoslavia and those looking at current issues in the Western Balkans and the Albanian Kosovar relationship
