Mastering the Discipline of Bible Study Jenai J. Rasmussen Ed.D., 2022-07-22 This work along with the other volumes in the Foundational Knowledge of the Bible series can help those who are young in the faith to seek a Christian relationship with God All who choose to enter into the new covenant must concurrently embrace a new perceptual field By heeding God's call to service believers embark upon a Christian journey to become wise from the application of spiritual knowledge This is made possible with the indwelling of the Holy Spirit who guides covenant believers in the faithful word of God which is the source of all spiritual truth in this world The intended purpose presented in this plan of action is to speak the truth of God in love so that the brethren can learn godly discernment be equipped with sound doctrine and grow together in all things according to Christ's authoritative leadership Eph 4:15 By becoming covenant Christians set apart by God for his particular use we can be diligent by precisely and accurately handling the word of truth 2 Tim 2:15 This series can serve to edify and ground those who are new in the faith because the revelation

of God provides all the essential answers to life's pressing spiritual questions whether general or specific. Accordingly, Christ's disciples need to comprehend the questions before the answers can have real meaning. No greater reason can be given for studying the Bible. Therefore, the people of God are duty bound to master this Christian discipline. The first volume in this series is divided into three phases of Bible study: Why addresses the importance of knowing God's word; study motivations; conditions for discipleship; Christian distinctions and the attributes needed to study biblical truth; How covers preliminary actions; Bible versions; principles; study considerations and necessary skills; What offers a unique sevenfold framework for understanding the Bible; Divine power can move the Scriptures to be more than words on a page. It can become a life-changing force for good in the world. To that end, this resource directs the reader on how to inquire, search, and ask diligently concerning godly truth. Invaluable information, accessible resources, clear educational materials, and deep biblical insights will all quickly serve to establish beginning students in the Sacred Text. This work will also prepare the reader to receive the Scriptures by learning how to obtain a faithful accounting of spiritual truth. To be sure, wisdom is the result of applying biblical knowledge to our lives. By speaking divine truth in love, believers can grow together in Christ as fellow workers who labor in the word of God. There is no greater work in this world than to share this life-saving truth with others. The obligation of receiving divine knowledge requires that it be shared. Truly giving the hope and joy that is found in Jesus Christ and the message he brought from the Father is the greatest privilege of a human life. Amen and amen.

The Way of a Disciple Bible Study Guide: Walking with Jesus Don Cousins, Judson Poling, 2016-10-11. The Walking with God series was developed as the curriculum for small groups at Willow Creek Community Church in South Barrington, Illinois. Since its release in 1992, it has been used by churches and small groups to help raise up devoted disciples of Christ. Group members who work through the program will lay a solid foundation for a lifelong walk with God. While small groups may be formed for a variety of purposes, the goal of this curriculum is for groups to produce disciples, fully devoted followers of Christ, by studying God's Word in community. To this end, the goal of the study is to produce disciples who walk with God, have a personal relationship with Jesus, and live in step with the Holy Spirit. It is also to produce believers who live the Word in all areas of life and contribute to the work that God is doing in the local church. Ultimately, the goal is to develop believers who impact the world and are prepared and eager to spread the good news of Christ to others. This material will help develop these attributes in group members. Each lesson includes group Bible study and discussion questions, in addition to devotions, reflections, and personal study for use by individuals between the group sessions.
