own health became worse when he received a letter from India in early 1882 Dying he called his two sons and confessed to Morstan's death and was about to divulge the location of the treasure when he suddenly cried Keep him out before falling back and dying The puzzled sons glimpsed a face in the window but the only trace was a single footstep in the dirt On their father's body is a note reading The Sign of Four Both brothers quarreled over whether a legacy should be left to Mary Morstan and Thaddeus left his brother Bartholomew taking a chaplet and sending its pearls to Mary The reason he sent the letter is that Bartholomew has found the treasure and possibly Thaddeus and Mary might confront him for a division of it
