The Teachings of Jesus Ray Martinez,2023-04-19 There is very much written about what Jesus says throughout the New Testament So I captured some of the key topics and expounded on what Jesus specifically has to say Some of my personal thoughts and experiences are interwoven into the topical stories that concerned me and have an impact on my life The list of topics seems endless but I ve carefully chosen the most common questions and themes that people ask about From my perspective simplicity equals transparency I m not moved by what I see but I am moved by what is in the hearts and minds of people I think Consequently I ve chosen to simplify the message without diving too deep While quoting scriptures I ve used the NIV version of the Bible unless otherwise noted differently
