## I. Intro paragraph: Briefly summarize the plot, what happened and why

The story begins with Lac Choo, an obedient and dutiful wife Hing Hom discovers that she is pregnant. Lac Choo then concludes that she will return her native land of China from California so that her children will have the privilege of being born in their homeland. The immigration officers take hold of the little boy and tell Lac and her husband to come the following day and know about the dispositions of the boy's case.

Five months down the line, the immigration department had not yet returned the little boy to the care of her parents. The boy was under the protective and watchful care of the missionaries that the officers had assigned to take care of the child (Par 1). Out of desperation and destitution, Hom hires a lawyer, James Chaney, to help them out in trying to get their son back. The lawyers attempt to petition the immigration prove futile, and he turn the Hom family for more money to go the capital and petition the government instead. Hom Hing lacks the financial capabilities, but
