The Creedal Imperative Carl R. Trueman,2012-09-30 Recent years have seen a number of high profile scholars converting to Roman Catholicism and Eastern Orthodoxy while a trend in the laity expresses an eclectic hunger for tradition The status and role of confessions stands at the center of the debate within evangelicalism today as many resonate with the call to return to Christianity s ancient roots Carl Trueman offers an analysis of why creeds and confessions are necessary how they have developed over time and how they can function in the church of today and tomorrow He writes primarily for evangelicals who are not particularly confessional in their thinking yet who belong to confessional churches Baptists independents etc so that they will see more clearly the usefulness of the church s tradition Word and Power Gareth W.
