Study In Karma:

A Study in Karma Annie Besant,1917 *A Study in Karma* Annie Besant,2016-08-24 The main conception of karma As a man soweth so shall he also reap is easy to grasp But the application of this to daily life in detail the method of its working and its far reaching consequences these are the difficulties which become more bewildering to the student as his knowledge increases The principles on which any natural science is based are for the most part readily intelligible to people of fair intelligence and ordinary education but as the student passes from principles to practice from outline to details he discovers that difficulties press upon him and if he would wholly master his subject he finds himself compelled to become a specialist and to devote long periods to the unraveling of the tangles which confront him So is it also with this science of karma the student cannot remain always in the domain of generalities he must study the subdivisions of the primary law must seek to apply it in all the circumstances of life must learn how far it binds and how freedom becomes possible He must learn to see in karma a universal law of nature and learn also as in face of nature as a whole that conquest of and rule over her can only be gained by obedience **Karma and a Study in Karma** Annie Besant,2018-10-21 Collected together in this one volume are both of Annie Besant's seminal works on the subject of Karma Karma and A Study in Karma These books are suitable for both a beginning student of Theosophy and for those more advanced in their studies explaining the subject of karma in simple exposition that goes way beyond the simple concept of reaping the harvest of what you sow A Study in Karma Annie Wood Besant,2012-10-10 AMONG the many illuminating gifts to the western world conveyed to it by the medium of the Theosophical Society that of the knowledge of karma comes perhaps next in importance to that of reincarnation It removes human thought and desire from the region of arbitrary happenings to the realm of law and thus places man's future under his own control in proportion to the amount of his knowledge *A Study in Karma* Annie W. Besant,2005 **A Study in Karma (Classic Reprint)** Annie Besant,2015-07-09 Excerpt from A Study in Karma Karma From The Light of Asia by Sir Edwin Arnold It knows not wrath nor pardon utter true Its measures mete its faultless balance weighs Times are as nought to morrow it will judge Or after many days By this the slayer's knife did stab himself The unjust judge hath lost his own defender The false tongue dooms its lie the creeping thief And spoiler rob to render Such is the Law which moves to righteousness Which none at last can turn aside or stay The heart of it is Love the end of it Is Peace and Consummation sweet Obey About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Karma and Reincarnation** Annie Wood Besant,2008-07-21 3 Books In One Three
