

A STUDY IN PYRAMIDOLOGY

A large, ancient pyramid, likely the Great Pyramid of Giza, stands prominently in a vast, sandy desert landscape. The pyramid is constructed from dark, weathered stone blocks, showing signs of age and erosion. The desert floor is composed of fine, golden sand, with some small, dark rocks scattered about. The sky above is a clear, pale blue, providing a stark contrast to the warm tones of the sand and stone. The overall scene is one of ancient mystery and grandeur.

...Quite simply one of the best books in print on the subject for beginner and advanced students alike!

civil war unleashed on American cities and American people For the Saints these violent images promised a national rebirth that would vouchsafe the protections of the United States Constitution and end their oppression In Terrible Revolution Christopher James Blythe examines apocalypticism across the history of the Church of Jesus Christ of Latter day Saints particularly as it took shape in the writings and visions of the laity The responses of the church hierarchy to apocalyptic lay prophecies promoted their own form of separatist nationalism during the nineteenth century Yet after Utah obtained statehood as the church sought to assimilate to national religious norms these same leaders sought to lessen the tensions between themselves and American political and cultural powers As a result visions of a violent end to the nation became a liability to disavow and regulate Ultimately Blythe argues that the visionary world of early Mormonism with its apocalyptic emphases continued in the church s mainstream culture in modified forms but continued to maintain separatist radical forms at the level of folk belief

Discerning the Day of the Lord Russell Stendal,2021-04-09 The darkness that will come upon the people of God at the beginning of the day of the Lord shall not be the same as the affliction that came upon her when Jesus came the first time The end of the age of grace will not be as dark as the end of the age of the law because the Gentile people that walked in darkness have seen a great light those that dwell in the land of the shadow of death upon them has the light shined Yes it s true that great apostasy has engulfed much of Western Europe and seems to be making quite a bit of headway in North America But what about places to name a few such

as China Iran Egypt Venezuela Cuba Brazil Colombia Africa and even India where the gospel is surging Most of the end time harvest is taking place under great adversity and persecution So for now it can be said As thou hast multiplied the nation the people of God thou hast not increased the joy But the day of the Lord will be the biggest game changer ever seen in human history For those among the people of God who have clean hearts when Jesus returns They shall rejoice before thee as they rejoice in the harvest and as men rejoice when they divide the spoil even as all the kingdoms of this world crumble and come down The vision of Isaiah is a prophetic hub placed in the middle of the Scriptures with ties to almost every book in the Bible most are footnoted in this work There are living parables of events that actually happened during the lifetime of Isaiah prophecies regarding Judah and Jerusalem with both a near and a far fulfillment all interwoven with messianic prophecy depicting events surrounding the first and second comings of Jesus Christ the final judgment and the new creation with new heavens and a new earth A central theme of Isaiah relates to the day of the LORD as does the book of Revelation We know there is a special blessing on the seventh day Genesis 2 3 Scripture also defines what some call a prophetic day mentioned in both the unique Psalm attributed to Moses For a thousand years in thy sight are but as yesterday when it is past and as a watch in the night Psalm 90 4 and by Simon Peter But beloved be not ignorant of this one thing that one day before the Lord is as a thousand years and a thousand years are as one day 2 Peter 3 8 Human history has now entered into the beginning of the seventh millennium since the creation of Adam according to the years and generations meticulously recorded in Scripture There is however the possibility of two distinct timelines one dating from the creation of Adam and the other dating from the fall of man when the present world system founded on lies devised by Satan began Scripture does not specify exactly when the curse was pronounced and Adam and Eve were expelled from the Garden of Eden The original world created by God and founded on truth was pronounced very good It is clear however that Satan subverted the authority God had placed on Adam and this sorry situation will not be corrected until the day of the Lord the seventh millennium We now appear to be in an ambiguous period in which it is clear no matter what relatively minor discrepancies there may be in our calendar that more than six thousand years have passed since the creation of Adam However it does not appear that six thousand years have gone by since the fall of man If the seventh prophetic day begins with the demise of Satan and the promise he will be bound for a thousand years the first resurrection of those who will reign and rule with Christ for a thousand years and the return of Jesus Christ then it is also clear that the prophesied day of the LORD has not yet begun although it may be very close This is when religion that has been contaminated by man by humanism and manipulated by the devil will all come down The pure and undefiled religion before God and the Father is this To visit the fatherless and widows in their tribulation and to keep thyself unspotted by the world James 1 27 As we enter the end time events described by Isaiah it is good to keep in mind that there is a substantial godly remnant containing true ministers servants of God who like Isaiah have been cleansed by the fire of God and commissioned from the throne and who have authority to represent God according to his will They desire to see

the people entrusted to their care joined to the Lord Jesus so that all of God's people may have intimate communion with him and with the Father by the Holy Spirit This is the only covering that will provide secure protection How much time do we have left I think we probably do have a little time but not a lot The world situation around us is not improving It is in fact degenerating rapidly even though some countries are experiencing spiritual revival We can expect things to continue to polarize as the bride of Christ is cleansed and purified and as Babylon the Great continues to degenerate The evil in the world will soon pass a threshold that will trigger the indignation and wrath of God the Father and Jesus will soon return for a bride without spot or wrinkle or any such thing These two things seem to happen in very close succession on the day of the Lord There are other prophetic markers that may bear watching The two thousandth anniversaries of the beginning of the ministry of Jesus of his death and resurrection of the outpouring of the Holy Spirit on the day of Pentecost and of the destruction of Jerusalem and the temple are all coming up within what many of us can expect to be our lifetime Even if the coming of the Lord should be delayed so that more people can be given the opportunity to be saved we are told to always be ready None of us knows when our own death will take place and when we could be suddenly thrust into the presence of God
