Encyclopedia of the Developing World Thomas M. Leonard,2013-10-18 A RUSA 2007 Outstanding Reference Title The Encyclopedia of the Developing World is a comprehensive work on the historical and current status of developing countries Containing more than 750 entries the Encyclopedia encompasses primarily the years since 1945 and defines development broadly addressing not only economics but also civil society and social progress Entries cover the most important theories and measurements of development relate historical events movements and concepts to development both internationally and regionally where applicable examine the contributions of the most important persons and organizations and detail the progress made within geographic regions and by individual countries **Refuting the Anti-Israel Narrative** Jeremy Havardi,2016-04-12 In recent decades Israel has come under sustained diplomatic pressure from the West According to the press and the policy establishment she acts aggressively and with disregard for civilian lives in pursuit of an unnecessary and illegal occupation of Palestinian territory Others view the country as an embarrassing outpost of colonialism racism and apartheid whose actions and those of the pro Israel lobby have provoked a fiery Islamist backlash This book refutes these misrepresentations showing that Israel s actions are well within the norms of international law and morality and arguing that the country far from being a deviant state is a bastion of Western values The author offers a nuanced narrative outlining the legal moral and historical justice behind Jewish statehood and discussing the reasons behind the failed peace process in recent years **Theories of Terrorism** Murat Haner,Melissa M. Sloan,2021-09-29 Theories of Terrorism explains and

advances the major theories of terrorism that address issues of becoming a terrorist being a terrorist and leaving terrorism in a clear and accessible format Readers will gain an understanding of the most promising explanations of terrorism that have been developed to date and how they can be used to explore core substantive issues related to the topic The content is delivered with a scholarly depth though still accessible by students at different levels The book offers explanations from prominent scholars for the three phases of radicalization covering emerging topics such as women s involvement in terrorism fear of terrorism the code of the terrorist and suicide terrorism This is the first book in the Advances in Criminological Theory series to address the issue of terrorism and emphasizes the use of theory to direct research development in the future The style and content coverage of the book make it appropriate as a supplemental text in undergraduate courses on terrorism and political violence The inclusion of current empirical literature and guidance for future research efforts gives the text appeal for graduate students and academics in the disciplines of criminology criminal justice political science sociology and interdisciplinary terrorism studies The emphasis on theory and the radicalization process throughout the text will also make the book useful as a reference for general graduate level theory courses within these areas **The**

International Dimension of the Israel-Palestinian Conflict Daniela Huber, 2021-01-01 2021 CHOICE Outstanding Academic Title Despite decades of international diplomatic efforts a solution to the Israel Palestinian conflict is still as elusive as ever forcing us to ask the question have global and regional powers rather than helping to solve the conflict actually led to its perpetuation This book explores this question from a post Eurocentric perspective Departing from the literature that sees the United States Europe and Russia as outside diplomatic actors and regional powers such as Egypt Iran Saudi Arabia and Turkey as part of the conflict Daniela Huber instead conceptualizes all of them as actors in the regional international dimension of the conflict which they re produce through their role performances Anchored in grounded theory and critical discourse analysis she examines the scripts that have been performed by these powers at the United Nations and how the authoritative international framing of the conflict has evolved in the UN Security Council and General Assembly identifying periods of continuity and ruptures in these scripts as well as alternatives to them Bibi Benjamin Netanyahu, 2022-10-18 In Benjamin Bibi Netanyahu s compelling The Economist and fascinating The Wall Street Journal New York Times bestselling autobiography the prime minister of Israel tells the story of his family his path to leadership and his unceasing commitment to defending his country and securing its future From their earliest days Bibi and his close knit brothers Yoni and Iddo were instilled with purpose Born in the wake of the Holocaust at the dawn of Israel s independence and raised in a family with a prominent Zionist history they understood that the Jewish state was a hard won and still precarious gift All three studied in American high schools where they learned to appreciate the United States before returning to their cherished homeland The brothers joined an elite special forces outfit of the Israeli Defense Forces known as the Unit At twenty two Bibi was wounded while leading his team in the rescue of hostages from a hijacked plane Four years later in 1976 Yoni was killed in Entebbe

Uganda while leading his men in one of the most daring hostage rescue missions in modern times Yoni became a legend Bibi felt he would never recover from his grief Yet inspired by Yoni s legacy and guided by the wisdom of his visionary historian father Bibi thrust himself into the international struggle against terrorism ultimately becoming the longest serving prime minister in Israel s history an honor he further cemented by winning reelection in 2022 In this memoir Bibi weaves together his gripping personal story with the dramatic history of Israel and the Jewish people Through a host of vivid anecdotes he narrates his own evolution from soldier to statesman while providing a unique perspective on leadership the fraught geopolitics of the Middle East and his successful efforts to liberate Israel s economy which helped turn it into a global powerhouse of technological innovation Netanyahu gives colorful detailed and revealing accounts of his often turbulent relationships and negotiations with Presidents Clinton Obama and Trump With eye opening candor he delves into the back channels of high diplomacy including his struggle against the radical forces that threaten Israel and the world at large and the decisive events that led to Israel s groundbreaking 2020 peace agreements with four Arab states Offering an unflinching account of a life a family and a nation Netanyahu writes from the heart and embraces controversy head on Steely and funny high tempo and full of verve this autobiography will stand as a defining testament to the value of political conviction and personal courage

Islam Rising Orlean Koehle,2022-11-03 Hard Questions This Book Answers What is causing the backward transformation that Europeans are experiencing bringing parts of Europe back to almost the same state of terrorism and loss of freedom when they were once shackled under NAZI and Communist occupations What has happened to Christianity in Europe How many churches are now standing empty being turned into museums or concert halls or being sold as mosques What has happened to the demographics of Europeans now in such decline How soon will original Europeans no longer exist replaced by the souring populations of Muslims What is the true history of Islam and the ideology driving their acts of terrorism Why is this being whitewashed in the media and in European

and American public schools as the schools are promoting pure Islam propaganda How is the USA following the same pattern set for us in Europe with their massive influx of immigrants and refugees Who are the various secular and non secular groups driving the refugee program and how much money is being made by them What are the huge numbers of immigrants and refugees doing to our own country How are small town and communities and their schools suffering with such a huge influx of migrants who do not share a common culture language traditions or religion What can we learn from this book before it is too late

Proxy Wars from a Global Perspective Pawel Bernat, Cüneyt Güner, Cyprian Aleksander Kozera, 2023-11-02 Proxy warfare is a growing international phenomenon Although states have used proxies in armed conflicts for centuries evolving regional and global security architecture is now forcing states to radically change the way contemporary conflicts are fought Based on ten case studies this reassesses exactly how these changing global and systemic factors are shaping the ways in which states use non state actors as proxies in their armed conflicts Examining the use of proxy warfare worldwide focusing on the last decade s conflicts this volume brings together contributions from scholars of international relations and global security studies in order to explore cases of armed conflict of particular regional and global significance These include recent developments in the conflict in Israel and Palestine the Central African Republic Libya Mali Central Asia Syria Ukraine Nagorno Karabakh Brazil and Yemen By drawing on both theory and practise it offers a re evaluation of contemporary understanding of outsourced warfare with policy implications for how we understand and negotiate with states using proxy warfare in the future
