The volumes are supplemented with maps available to view on routledge.com or available as a pdf from the publishers. "I am just a Sukuma" Frans

Wijzen, Ralph Tanner, 2016-08-29 Introduction: Culture and identity among the Sukuma. Origin and growth of Sukuma identity. The intrusions of colonialism. The hopes and frustrations of socialist ideology. The Sukuma and the ideology of a free market. Sukuma identity and modernization. References. About the authors. **Sukuma Labor Songs from Western Tanzania**

Frank D. Gunderson, 2010 This volume is an interpretive analysis of a collection of 335 song texts treated as primary historical sources. The collection highlights the cultural practices that link music with labor in Sukuma communities in northwestern Tanzania. These linkages are evident in the music of the elephant, snake, and porcupine hunting associations that flourished in the precolonial epoch in the nineteenth century; regional and long distance porter associations; and in the farmer associations that have proliferated since the beginning of the twentieth century. Acting primarily as an interpretive editor, the author collaborated with several Tanzanian scholars and translators towards fine-tuning the translation of these texts into English and gathered testimonies in order to create succinct interpretive statements about the songs. **Tanzania**
