Summer Dance

Nadia Oehlsen

Summer Dance:

Summer Dance Lynn Swanson, 2011-10-21 A Moonbeam Children's Book Awards winner Suggested for readers ages 10 to 13 Sara is thirteen and in the northern Michigan woods at Lakewood Dance Camp where she is excited scared and challenged by class auditions rehearsals and performances of authentic ballets She just HAS to win one of the three scholarships for the next summer so she can continue her training or there's no chance of returning She is determined to be a REAL dancer in a REAL company some day But how can she look good enough to win a scholarship when she has to learn new forms of dance try to figure out what Madame is saying with her Russian accent dance all day long and stay out of trouble Robin keeps getting in her way messing up rehearsals blaming her for a sprained foot and for problems with the boys across the lake Even her new friend Erin seems more interested in having fun sometimes than taking their classes and rehearsals seriously When dancers from The San Francisco Ballet make a visit and perform for the young dancers Sara is even more inspired Taking a master class with Yuri from the company is awesome and watching them perform Swan Lake is so romantic But it could all be ruined by not keeping up in class by getting caught looking into a secret practice room in the basement of the dance studio or being caught off limits on the boys side of the lake in the mysterious cabin in the woods Sara wants more than anything to sing the Lakewood song on stage after the final performance with a scholarship in hand but she has trouble even making up a dance for the student concert where the boys will be the audience If that isn't problem enough she is paired with Robin for the final dance performance and they just can't get it together Instead of making everything worse Sara needs to find a way to bring teamwork and success A glossary of dance and theater terms is included along with a What Do You Think discussion section at the end of the book

May It Fill Your Soul Timothy Rice, 1994-07-13 In this vivid musical ethnography Timothy Rice documents and interprets the history of folk music song and dance in Bulgaria over a seventy year period of dramatic change From 1920 to 1989 Bulgaria changed from a nearly medieval village society to a Stalinist planned industrial economy to a chaotic mix of capitalist and socialist markets and cultures In the context of this history Rice brings Bulgarian folk music to life by focusing on the biography of the Varimezov family including the musician Kostadin and his wife Todora a singer Combining interviews with his own experiences of learning how to play sing and dance Bulgarian folk music Rice presents one of the most detailed accounts of traditional aural learning processes in the ethnomusicological literature Using a combination of traditionally dichotomous musicological and ethnographic approaches Rice tells the story of how individual musicians learned their tradition how they lived it during the pre Communist era of family farming how the tradition changed with industrialization brought under Communism and finally how it flourished and evolved in the recent unstable political climate This work complete with a compact disc and numerous illustrations and musical examples contributes not only to ethnomusicological theory and method but also to our understanding of Slavic folklore Eastern European anthropology and cultural processes in Socialist states

[Dancing Motherhood](#) Ali

Duffy,2023-05-10 *Dancing Motherhood* explores how unique factors about the dance profession impact pregnant women and mothers working in it Ali Duffy introduces the book by laying a foundation of social and cultural histories and systemic structures and power that shape the issues mothers in dance negotiate today This book then reveals perspectives from mothers in dance working in areas such as performance choreography dance education administration and advocacy through survey and interview data Based on participant responses recommendations for changes in policy hiring evaluation workplace environment and other professional and personal practices to better support working mothers in dance are highlighted Finally essays from eight working mothers in dance offer intimate personal stories and guidance geared to mothers future mothers policymakers and colleagues and supervisors of mothers in the dance field By describing lived experiences and offering suggestions for improved working conditions and advocacy this book initiates expanded discussion about women in dance and promotes change to positively impact dancing mothers their employers and the dance field

Music at Michigan ,1994 *Dancing the Afrofuture* Halifu Osumare,2024-02-14 In this memoir Halifu Osumare reflects on how her career as a dancer and activist influenced her growth as a scholar writing the stories of global hip hop and Black culture *Do You Remember House?* Micah E. Salkind,2019 Today no matter where you are in the world you can turn on a radio and hear the echoes and influences of Chicago house music *Do You Remember House* tells a comprehensive story of the emergence and contemporary memorialization of house in Chicago tracing the development of Chicago house music culture from its beginnings in the late 70s to the present Based on expansive research in archives and his extensive conversations with the makers of house in Chicago s parks clubs museums and dance studios author Micah Salkind argues that the remediation and adaptation of house music by crossover communities in its first decade shaped the ways that Chicago producers DJs dancers and promoters today re remember and mobilize the genre as an archive of collectivity and congregation The book s engagement with musical kinesthetic and visual aspects of house music culture builds from a tradition of queer of color critique As such *Do You Remember House* considers house music s liberatory potential in terms of its genre defiant repertoire in motion Ultimately the book argues that even as house music culture has been appropriated and exploited the music s porosity and flexibility have allowed it to remain what pioneering Chicago DJ Craig Cannon calls a musical Stonewall for queers and people of color in the Windy City and around the world **The Kentucky Encyclopedia**

John E. Kleber,2014-10-17 The Kentucky Encyclopedia s 2 000 plus entries are the work of more than five hundred writers Their subjects reflect all areas of the commonwealth and span the time from prehistoric settlement to today s headlines recording Kentuckians achievements in art architecture business education politics religion science and sports Biographical sketches portray all of Kentucky s governors and U S senators as well as note congressmen and state and local politicians Kentucky s impact on the national scene is registered in the lives of such figures as Carry Nation Henry Clay Louis Brandeis and Alben Barkley The commonwealth s high range from writers Harriette Arnow and Jesse Stuart reformers Laura Clay and

Mary Breckinridge and civil rights leaders Whitney Young Jr and Georgia Powers to sports figures Muhammad Ali and Adolph Rupp and entertainers Loretta Lynn Merle Travis and the Everly Brothers Entries describe each county and county seat and each community with a population above 2 500 Broad overview articles examine such topics as agriculture segregation transportation literature and folklife Frequently misunderstood aspects of Kentucky s history and culture are clarified and popular misconceptions corrected The facts on such subjects as mint juleps Fort Knox Boone s coonskin cap the Kentucky hot brown and Morgan s Raiders will settle many an argument For both the researcher and the more casual reader this collection of facts and fancies about Kentucky and Kentuckians will be an invaluable resource **Near the Top of the**

Stairs Don Bondi,2015-11-20 Near the Top of the Stairs begins as a poem and ends as a biography It is a journey of specific memories during the times and locations of a young boy looking back at 80 years of a life The author looks back through the eyes of his youth and reveals the remembered events that have become his life as he nears the top of the stairs His early childhood and parents begin the journey followed by an uneventful telling of high school followed by revelations in college that exposes his sexuality and his joy of dance and learning He learns responsibility as an army officer in South Korea where he learns to teach and he learns compassion as a high school science teacher where he finds his worth through the development of innovative teaching techniques His shyness gives way to questioning authority that leads to the revelation that his ego often gets in the way of accepting who he has become and what is important in this becoming Now near the top of the stairs the young boy looking up the stairs acknowledges the creativity associated with dance that freed him to explore and develop to become the young man of 80 near the top of the stairs And life still inspires him and maybe you to dance

Where the Heart Beats Kay Larson,2013-07-30 A heroic biography of John Cage and his awakening through Zen Buddhism a kind of love story about a brilliant American pioneer of the creative arts who transformed himself and his culture The New York Times Composer John Cage sought the silence of a mind at peace with itself and found it in Zen Buddhism a spiritual path that changed both his music and his view of the universe Remarkably researched exquisitely written *Where the Heart Beats* weaves together a great many threads of cultural history Maria Popova Brain Pickings to illuminate Cage s struggle to accept himself and his relationship with choreographer Merce Cunningham Freed to be his own man Cage originated exciting experiments that set him at the epicenter of a new avant garde forming in the 1950s Robert Rauschenberg Jasper Johns Andy Warhol Yoko Ono Allan Kaprow Morton Feldman and Leo Castelli were among those influenced by his teaching and preaching *Where the Heart Beats* shows the blossoming of Zen in the very heart of American culture *The Gay & Lesbian Theatrical Legacy* Billy J. Harbin,Kim Marra,Robert A. Schanke,2005 Recovers the hidden history of theater professionals who transgressed the gendered expectations of their time *Lou Harrison* Leta E.

Miller,Fredric Lieberman,2006-04-27 Music s inclusivity its potential to unite cultures disciplines and individuals defined the life and career of Lou Harrison This book talks about Harrison s music through an exploration of his stance on pacifism gay

rights ecology and respect for minorities all of which directly impacted his musical works
