Summer Of The Spanish Woman:

The Summer of the Spanish Woman Catherine Gaskin, 1977 *The Summer of the Spanish Woman* , 1996 JOHN MUIR'S CALIFORNIA COLLECTION: *My First Summer in the Sierra, Picturesque California, The Mountains of California, The Yosemite & Our National Parks (Illustrated)* John Muir, 2024-01-09 In John Muir's California Collection readers are invited into the majestic landscapes of California through Muir's evocative prose and keen observations. This compilation features his seminal works including *My First Summer in the Sierra* where Muir meticulously describes his transformative experiences in the Sierra Nevada. His lyrical style often interspersed with rich illustrations reflects the Romantic literary tradition emphasizing nature's beauty and spiritual significance. Muir's writing is not only a celebration of the natural world but also a call to conserve it, providing critical insights into the environmental ethos emerging in 19th century America. John Muir, a Scottish American naturalist and advocate for the preservation of wilderness, became a pivotal figure in the environmental movement. Growing up in the rugged landscapes of Scotland instilled in him a deep appreciation for nature. His experiences in California catalyzed his mission to promote the preservation of its natural wonders, leading to the establishment of national parks. This collection showcases Muir's profound relationship with the land, reflecting his belief that nature is essential for the human spirit. This anthology is a vital read for anyone interested in environmentalism, literary nature writing, or the history of American conservation. Muir's poetic exploration of California's diverse landscapes not only captures their beauty but also serves as a poignant reminder of the necessity to protect them for future generations.

Summer River Rick Kantola, 2011-03-01 The fictional Summer River flows through the remote southeast corner of Summer County in Northern California. In addition to an illegal commune assembled on a mining claim on the river, the region is home to an aging cattle rancher, an aspiring wine grape grower, a marijuana grower, and an elder of the New Life Assembly with a spirited teenaged daughter. Still suffering the pain and anger of a broken marriage, Karen Mitchell moves with her five-year-old daughter into a friend's cabin on the south bank of the river. Rick Kantola is a wonderful writer. Great descriptive powers, pleasing line and paragraph rhythms, and a wonderful ear for dialogue. Todd Walton, author *Inside Moves* and *Ruby and Spear*, a gifted writer with a strong moral angle, a capacity for creating memorable characters, and a deep and lovely sense of landscape. Summer's Bride Catherine Archer, 2014-04-15 Genevieve of Harwick had lived with her storm-tossed emotions ever since Marcel Ainsworth left to sail the seas, believing she'd wanted him for his name alone. But now that Marcel had finally returned, she swore to use all her womanly powers to keep him by her side. After two lonely years at sea, Marcel still hungered for a woman he could never have. The third son of the powerful Ainsworths would not suit Lady Genevieve, or so he thought. But when she became a stowaway on his ship, Marcel's determination crumbled. Amidst the crashing waves, would Marcel give in?
