Charles Bukowski, King of the Underground A. DeBritto, 2013-09-25 This critical study of the literary magazines underground newspapers and small press publications that had an impact on Charles Bukowski's early career draws on archives privately held unpublished Bukowski work and interviews to shed new light on the ways in which Bukowski became an icon in the alternative literary scene in the 1960s

Charles Bukowski Barry Miles, 2009-10-06 Fear makes me a writer fear and a lack of confidence Charles Bukowski chronicled the seedy underside of the city in which he spent most of his life Los Angeles His heroes were the panhandlers and hustlers the drunks and the hookers his beat the racetracks and strip joints and his inspiration a series of dead end jobs in warehouses offices and factories It was in the evenings that he would put on a classical record open a beer and begin to type Brought up by a violent father Bukowski suffered childhood beatings before developing horrific acne and withdrawing into a moody adolescence Much of his young life epitomised the style of the Beat generation riding Greyhound buses bumming around and drinking himself into a stupor During his lifetime he published more than forty five

books of poetry and prose including the novels *Post Office* *Factotum* *Women and Pulp* His novels sold millions of copies worldwide in dozens of languages In this definitive biography Barry Miles celebrated author of *Jack Kerouac King of the Beats* turns his attention to the exploits of this hard drinking belligerent wild man of literature

The Beat Generation FAQ Rich Weidman, 2015-09-01 The Beat Generation FAQ is an informative and entertaining look at the enigmatic authors and cutting edge works that shaped this fascinating cultural and literary movement Disillusioned with the repression and conformity encompassing post World War II life in the United States the Beat writers sought creative alternatives to the mind numbing banality of modern culture Beat Generation writers were no strangers to controversy Both Allen Ginsberg s prophetic William Blakean style poem *Howl* 1956 and William S Burroughs groundbreaking novel *Naked Lunch* 1959 led to obscenity trials while Jack Kerouac s highly influential novel *On the Road* 1957 was blamed by the establishment for corrupting the nation s youth and continues to this day to serve as a beacon of hipster culture and the bohemian lifestyle The Beat writers shared a vision for a new type of literature one that escaped the boundaries of academia and employed an organic use of language inspired by the spontaneity and improvisational nature of jazz music and abstract expressionism Kerouac coined this writing style spontaneous prose In search of deeper meaning Beat Generation writers experimented not only with language but also with spirituality art drugs sexuality and unconventional lifestyles Although the movement as a whole flamed out quickly in the early 1960s replaced by the onset of the hippie counterculture the Beats made an indelible mark on the nation s consciousness and left a long lasting influence on its art and culture This book details the movement its works creative forces and its legacy

The Routledge Handbook of Literature and Space Robert Tally Jr., 2017-01-06 The spatial turn in literary studies is transforming the way we think of the field The Routledge Handbook of Literature and Space maps the key areas of spatiality within literary studies offering a comprehensive overview but also pointing towards new and exciting directions of study The interdisciplinary and global approach provides a thorough introduction and includes thirty two essays on topics such as Spatial theory and practice Critical methodologies Work sites Cities and the geography of urban experience Maps territories readings The contributors to this volume demonstrate how a variety of romantic realist modernist and postmodernist narratives represent the changing social spaces of their world and of our own world system today
