The Adolescent: Case Studies for Analysis Nancy C. Ralston, G. Patience Thomas, 1974 **A Value Analysis of Adolescents** Frances Signori, 1973 **ADOLESCENCE EDUCATION** CHOUDHARY, GIRISH BALA, 2014-07-18 The young and adolescents are an epitome of change hope and progress The lives of adolescents are subject to global challenges faced by information and technological revolution changing markets and globalization and specific changes taking place in family dynamics cultural traditions religious beliefs and other socialization practices This book on Adolescence Education assumes importance in view of the likely impact of acquired skills and behaviours during this period on an individual's prospects in adulthood This book is an attempt to understand the broader context in which adolescent lives are embedded The theoretical perspective presents a multi disciplinary view of adolescence that helps to understand the evolution of the concept of adolescence Presenting an elaborate account of adolescence as experienced by young in India and highlighting the challenges that emerge as a result of dynamic changes in society the attempt is made to identify the emerging issues and concerns that impact the lives of adolescents and provide a perspective to adolescence education The historical account presented helps to build an understanding of the various socio cultural forces that led to the emergence of the existing Adolescence Education Programme AEP The text presents the key features of the present AEP that are imperative for its successful implementation The UN and civil society initiatives are mapped with a view to locate the characteristic features and thrust of various interventions The text gives some gleanings from available evidences regarding execution of various existing adolescent programmes and existential realities of adolescents lives The book is intended for the undergraduate and postgraduate students of Education Psychology and Sociology Besides the book is equally beneficial for the students opting for Psychology at their 2 level **Teaching About Adolescence** John McKinney, Lawrence Shelton, Lawrence Schiamberg, 2019-05-30 For this volume Professors McKinney Schiamberg and Shelton assembled contributors to write about something that is written about far too infrequently How to present scientific research on adolescent development in ways students find interesting believable relevant and worth remembering when the term is over Graduate education in adolescent development almost always guarantees adequate training in research and theory but training in creative pedagogy is more often than not left to chance Those of us who teach adolescence regularly know that colleagues all over the world use innovative approaches to take advantage of the real world relevance of the material but most of these approaches remain insiders tricks of the trade Teaching About Adolescence is to my knowledge the first volume that describes and explains how and more importantly why the best teachers of adolescence do what they do It is a much needed book But this book is much more than a collection of recipes for interesting class exercises or term projects First published in 1999 Routledge is an imprint of Taylor Francis an informal company **Dyslexia in Adolescence** Peggy L. Anderson, Regine Meier-Hedde, 2017-03-27 Dyslexia in Adolescence Global Perspectives presents international case studies

on the psychosocial development and academic progress of adolescents with dyslexia to enhance understanding of adjustment factors outcomes and support The continuation of a qualitative longitudinal research project that focused on children between ten and twelve years of age this volume revisits them between ages fourteen and sixteen Through semi structured interviews personal narratives and other assessments these case studies relate the trials and tribulations associated with the development of adolescents with dyslexia from around the world and the challenges that parents face in supporting their children *Children Who Murder* Robert V. Heckel, David M. Shumaker, 2001-02-28 Due to the extensive changes in family structure such as the increase of single parent families a high divorce rate and the decline of the extended family support systems for young children are in decline This decline disrupts the support systems ability to shape children s prosocial values Because of the fear of lawsuits and limited financial resources community services and schools no longer provide the framework needed to balance changes in the contemporary family structure This book provides insight into voids that have created social skills affecting this young population using an integrative approach to examine the casual factors of violent behavior in preteens It offers suggestions for alleviating some of the causative factors that have created this nationwide problem Changes in family structure the role of the community the educational philosophy of schools and the juvenile justice system are discussed as examples of casual factors of violent behavior in preteens This timely book uses an integrative approach to examine these factors as well as to discuss the changes in the juvenile justice system in terms of punishment treatment and rehabilitation A direct response to current events such as the Columbine shooting and recent elementary school shootings *Children Who Murder* R will be of interest to practitioners educators guidance and educational counselors lawyers and parents Integrated Approaches in Information Technology and Web Engineering: Advancing Organizational Knowledge Sharing Alkhatib, Ghazi I., Rine, David C., 2008-11-30 Provides a collection of authoritative articles from distinguished international researchers in information technology and Web engineering **The Adolescent** F. Philip Rice, 1981 **Authentic Case Studies** Kelli Jette, 2019-06-13 *Authentic Case Studies Adolescence to Emerging Adulthood* provides future educators and practitioners with a comprehensive and diverse collection of case studies that document a variety of challenges faced by at risk youth The case studies reflect the lived experiences of hundreds of individuals relayed in their own voices Through them readers learn about issues that affect youth today as well as issues that have played important roles in developmental trends of the past Topics addressed within the case studies include but are not limited to substance abuse and exploration sexual behavior bullying and peer victimization dietary and mental health disorders depression ADHD and a multitude of other behaviors that have proven potentially difficult for youth and emerging adults Throughout readers are provided with key questions to help them analyze the cases determine patterns of behavior and identify appropriate interventions *Authentic Case Studies* is a highly valuable and practical collection that prepares those who will educate work with and assess at risk youth to do so with compassion and expertise The text is ideal for courses in

education human development social work counseling and psychology Kelli Jette Ph D is the program coordinator and assistant professor of Human Development and Community Engagement at the University of Cincinnati where she has taught undergraduate courses for nearly a decade She completed her master s degree in special education from Xavier University and her Ph D in educational studies from the University of Cincinnati
