The Complete DVD Book Chris Gore,Paul J. Salamoff,2005 Learn from this comprehensive book a soup to nuts approach to releasing your independent film on DVD From package design to marketing to authoring to menu architecture to promotion to publicity to penetrating retailers and even negotiating the DVD deal *The Complete DVD Book* Chris Gore,Paul J. Salamoff,2005 Learn from this comprehensive book a soup to nuts approach to releasing your independent film on DVD From package design to marketing to authoring to menu architecture to promotion to publicity to penetrating retailers and even negotiating the DVD deal Cinematic Storytelling Jennifer Van Sijll,2005 Dialog is one of the best known and obvious elements in a film But the language of cinema is more subtle and sophisticated than dialog alone From Metropolis to Kill Bill this remarkable reference guide reveals 100 of the most potent storytelling tools of the film medium It demonstrates how master screenwriters and directors depend on cinematic devices to pump up action create characters and energize a motion picture s plot Cinematic Storytelling compresses 100 years of film history outlining the important connection between film technique and storytelling It shows how the purposeful use of film techniques like lighting editing and sound can evoke audience emotions like fear hatred or anger without a word of dialog It demonstrates how character values and themes are expressed cumulatively over time and nonverbally In this the reader is given both the critical tools to better understand modern moviemaking and the creative tools to more fully exploit the dramatic potential of the medium

BOOK JACKET The Insider's Guide to Independent Film Distribution Stacey Parks,2012-11-12 Innovation in technology means that almost anyone can make an independent film these days Although this may be good news for aspiring filmmakers it also means that the oversupply of independent films on the market has caused acquisition prices to dramatically decrease As a result producers and investors rarely recover their initial investment in the films they make But don t be discouraged Use this book to learn the realities of the market in advance and map out a winning distribution plan This comprehensive manual for filmmakers and producers dedicated to film distribution and the marketplace could mean the difference between getting your film out to the public and keeping it in the can Learn how to sell your movie to a studio a cable network a video distributor or an international buyer Self distribution and other alternatives to traditional distribution are also considered In addition you ll hear some success stories from producers and hear exactly what buyers are seeking Stacey Parks has worked with hundreds of hungry filmmakers to get their films a distribution deal and knows how frustrating the whole process can be Let her show you how you can take control of your filmmaking career and start getting your work seen by audiences with a few little known distribution secrets Features include Interviews and case studies with producers and distributors Ten ways to market your film for self distribution Sales projections per territory Distribution resources listings Negotiation tips for distribution agreements Sample distribution agreements What you must know to get your independent film distributed Written by a distributor who knows the process inside and out Interviews with buyers and acquisitions executives from every
