Congress, United Daughters of the Confederacy, 196? **The Confederate Constitution of 1861** Marshall L. DeRosa, 1991-11-01 In The Confederate Constitution of 1861 Marshall DeRosa argues that the Confederate Constitution was not as is widely believed a document designed to perpetuate a Southern slaveocracy but rather an attempt by the Southern political leadership to restore the Anti Federalist standards of limited national government In this first systematic analysis of the Confederate Constitution DeRosa sheds new light on the constitutional principles of the CSA within the framework of American politics and constitutionalism He shows just how little the Confederate Constitution departed from the U S Constitution on which it was modeled and examines closely the innovations the delegates brought to the document
