Sundance My Uncle:

Sundance, My Uncle Donna B. Ernst, 1992 A biography of the notorious outlaw Harry A Longabaugh better known as the Sundance Kid Sundance's Kid Cree Storm, 2020-12-06 Living in a lab for most of his life as an orangutan Evian had heard the words Trick or treat but never really experienced them until now Dressed up for a costume party Evian is mistaken for a real park ranger and shot Trick However his rescuer turns out to be his mate If Evian can save his mate from crazy evil brothers he can have his treat *The Mythical West* Richard W. Slatta, 2001-11-20 This cultural journey down memory lane showcases how major Western figures events and places have been portrayed in folk legends art literature and popular culture Ever since the days of the 49ers and George Armstrong Custer the Old West has been America's most potent source of legend But it is sometimes hard to separate fact from fiction Did you know for example that Annie Oakley was a talented marksman who shot an estimated 40 000 rounds per year while practicing and performing for Buffalo Bill Cody's Wild West Show in the late 1800s Or that many interpreters believe that The Wonderful Wizard of Oz is not just a fairy tale but also a Populist allegory These are just two of the folk legends dissected and examined in this veritable cultural geography The volume covers everything from billionaire Howard Hughes and composer Aaron Copeland to Aztlan the legendary first city of the Aztecs and Area 51 the top secret U S Air Force base at Groom Lake Nevada that has fascinated UFO and conspiracy buffs **Scumble** Ingrid Law, 2010-08-17 Read the New York Times bestseller and companion to Newbery Honor winner Savvy It's nine years after Savvy and Mibs cousin Ledge is on the verge of turning thirteen More than anything he wants the power to run like the wind But when his birthday comes he discovers that his savvy is actually making things fall apart It starts out with small things but then it gets worse To top it all off someone outside the family has witnessed his destruction Now in addition to trying to figure out how to control or scumble his savvy he's got to worry about how to protect the family secrets Over the course of one amazing summer Ledge learns a lot about himself and his family makes a new and very unlikely friend and learns to appreciate his newfound skills Readers will delight in the tall tale tropes and Ledge's authentic physical emotional and artistic challenges Booklist starred review The title stands alone in its fast paced plot with twists and turns galore and readers familiar with Savvy will eat it up and wish for more School Library Journal **Bandit Heaven** Tom Clavin, 2024-10-22 From multiple New York Times bestselling author Tom Clavin comes the thrilling true story of the most infamous hangout for bandits thieves and murderers of all time and the lawmen tasked with rooting them out Robbers Roost Brown's Hole and Hole in the Wall were three hideouts that collectively were known to outlaws as Bandit Heaven During the 1880s and 90s these remote locations in Wyoming and Utah harbored hundreds of train and bank robbers horse and cattle thieves the occasional killer and anyone else with a price on his head Clavin's Bandit Heaven is the entertaining story of these tumultuous times and the colorful characters who rode the Outlaw Trail through the frigid mountain passes and throat parching deserts that connected the three hideouts well guarded enclaves no sensible lawman would enter There are the star

residents like gregarious Butch Cassidy and his mostly silent sidekick the Sundance Kid and an array of fascinating supporting players like the cold blooded Kid Curry and Black Jack Ketchum who had the dubious distinction of being decapitated during a hanging among others Most of the hard riding action takes place in the mid to late 1890s when Bandit Heaven came to be one of the few safe places left as the law closed in on the dwindling number of active outlaws Most were dead by the beginning of the 20th century gunned down by a galvanized law enforcement system seeking rewards and glory Ultimately only Cassidy and Sundance escaped to meet their fate 6000 miles away becoming legends when they died in a fusillade of lead Bandit Heaven is a thrilling read filled with action indelible characters and some poignance for the true end of the Wild West outlaw
