Despite the growing significance of social movements worldwide scholarship on the subject remains largely Western in nature with studies written primarily by Western scholars and based on the experiences of Western cultures and societies This book makes an important contribution to the study of social movements in non Western societies by examining their development in Iran With a particular focus on the recent environmental movement the author sheds new light on the implications and significance of these movements Drawing on in depth original research the case study of the environmental movement is integrated into a historical and comparative analysis Implementing the new social movement theory of Touraine and Melucci in the Iranian context the author shows that although the reform movement of Iran is unique in some aspects it is a continuation of the past social movements She places emphasis on the role of women in recent Iranian social movements exploring the significance of social movements in civil society and in instigating social change Using the case of Iran to offer a critical framework for studying social change and transformation of non European countries this book fills an important gap in the existing literature on the topic As such it will be of great interest to scholars and students of sociology political science and Middle Eastern studies

The Communist Movement in Iran George Lenczowski, 1947
1945-1962 Kristen Blake, 2009-05-15 This book is a study of the origins development and end of the U S Soviet Cold War rivalry in Iran from 1945 to 1962 and its influence on the political and economic development of the country It traces the roots of this rivalry to the Anglo Soviet occupation of Iran in 1941 during the Second World War that subsequently led to U S involvement in Iran in 1942 as part of the Allied war effort While analyzing the superpower rivalry the book also focuses on the development of U S Iranian relations and U S policy toward Iran whose primary goal was to keep Iran free from communism The book traces the development of U S Iranian relations and U S policy toward Iran through the Truman Eisenhower and Kennedy administrations and examines whether there were any elements of continuity among the three administrations in keeping Iran free from communism The book also provides an in depth analysis of the response of the Shah and the Iranian government to foreign power rivalry in Iran
