Sister Its Not Okay:

It's NOT Okay, Babies Do Know Victoria Ramsey, 2013-08 The Deep South where Victoria Ramsey grew up is often referred to as the Bible Belt However it was only on rare occasions that Victoria's aunt would come over and take her to church The church was located very far away deep in the back woods There were no houses or businesses close to the church A dense thicket of tall pine trees lined the road that led to the church The drive to the church was frightening Victoria's aunt would speed down the dark winding dirt road through the woods From the backseat Victoria could only see the beams of the car's headlights flashing across the clay red road and the nearby tree line There was silence inside the car No one said a thing It was as if everyone was holding their breath The only sound came from outside the car tires screeching as they turned sharply to avoid running into the deep ditch alongside the road Occasionally her aunt would break the silence by stating The devil is trying to stop us Then Victoria would remember her mother's last words before getting into her aunt's car You better listen to that preacher The devil's gonna getcha Victoria grew up believing that at any moment the devil would leap out and capture her This created much fear and by the age of six Victoria believed she was a sinful little girl that no one loved or would ever love So for her being wanted by the devil made perfect sense The truth wouldn't be revealed until much later as to the identity of the real devil

It's Not Alright - For Children David Long, 2012-07 When I was growing up and learning how to behave it was completely acceptable for corporal punishment when I did something bad A good spanking restriction to the house banishment to my bedroom or being grounded from sports and social activities Nowadays there's a fine line between physical punishment and abuse We have to use more creative discipline Timeouts no cell phone or computer use and still some amount of restriction Or a just good talking to So what's a parent to do How do you correct your child's negative behavior or just teach them about rules to live by in today's world It's Not Alright for Children will help with some of those discipline issues It gives you a tool to sit and talk to your child about what's appropriate and what's not appropriate It is a basic training manual for life if you will Not every anecdote will fit your child's behavior or your sense of what's right and wrong But there are 54 little behavioral snippets that most children will experience at some time So come on in and have fun Use the book as one creative source of raising your child and opening conversation If it works for you and you have teens the second in a series is called It's Not Alright For Teens an Intermediate Guide To Acceptable Behavior And if you have a significant other It's Not Alright For Adults An Advanced Guide To Acceptable Behavior

Undeniable Love Samantha Chase, 2024-09-17 A Small Town Enemies to Lovers Sports Romance from New York Times bestselling author Samantha Chase She's a small town girl looking to escape her monotonous life He's the NFL superstar looking to return to his roots Twelve years ago he nearly destroyed her family Now they're working together and the attraction she feels is completely undeniable Lucy Dawson dreamed of leaving South Creek But just went that dream is about to become a reality the plans go out the window thanks to a two timing ex and the wedding photographer they'd hired Now she has to come to

grips with not only having to stay in her hometown a little longer but finding a purpose there The last person she expected to give her that purpose and offer her everything she s been looking for was the man who nearly destroyed her family a decade ago For twelve years Jax Wylder has lived with the guilt of causing the accident that nearly took his best friend s life Now that he s looking at retirement after a successful NFL career he wants to give back to his community and maybe help clear his conscience by opening a camp for kids with disabilities It won t change what happened to his best friend but it s something he feels strongly about When he learns that Lucy is a pediatric physical therapist she s the perfect person to enlist for help Only he s surprised to learn that she not only despises him but blames him for everything that s gone wrong in her life It doesn t take long for Lucy to realize that she might not have the entire story about Jax and that fateful night twelve years ago Now she has to balance making amends and fighting the inconvenient but undeniable attraction she feels for him They have a lot to overcome but there s no denying that sometimes there really is a fine line between love and hate
