

THE NEW YORK TIMES BESTSELLER

SIX DAYS OF WAR

**June 1967 and the Making of
the Modern Middle East**

Michael B. Oren

"A magisterial work that is not only riveting reading, but also likely to become the standard work of the war that shaped the contemporary Middle East."

—*Philadelphia Inquirer*

Six Days Of War June 1967 And The Making Of The Modern Middle East

Clive Jones, Tore T. Petersen

Six Days Of War June 1967 And The Making Of The Modern Middle East:

Six Days of War Michael B. Oren, 2002 In 1967 the future of the state of Israel was far from certain But with its swift and stunning military victory against an Arab coalition led by Egypt in the Six Day War Israel not only preserved its existence but redrew the map of the region with fateful consequences The Camp David Accords the assassinations of Anwar Sadat and Yitzhak Rabin the intifada and the current troubled peace negotiations all of these trace their origins to the Six Day War Michael Oren's *Six Days of War* is a gripping account of one of the most dramatic and important episodes in the history of the Middle East With exhaustive research in primary sources including Soviet Jordanian and Syrian files not previously available he has reconstructed the tension filled background and the dramatic military events of the conflict drawing the threads together in a riveting narrative enlivened by crisp character sketches of major characters many of whom from Ariel Sharon to Yasser Arafat are still leading figures today Most important Oren has unearthed some dramatic new findings He has discovered that a top secret Egyptian plan to invade Israel and wipe out its army and nuclear reactor came within hours of implementation He also reveals how the superpowers narrowly avoided a nuclear showdown over the Eastern Mediterranean and how a military coup in Israel almost occurred on the eve of the war

Six Days of War Michael B. Oren, 2004-01-01 For six tense days between June 5 and 10 1967 war raged between Israel and its neighbors Egypt Jordan and Syria There are many contexts in which this story makes sense but only Michael Oren a widely published American born Israel scholar and historian has so far knitted the diverse strands into a cohesive fabric that remains vital and relevant today With educated authority and authorial integrity Oren manages to sketch out facts and motives with the same intrigue as battles and strategies Escalating territorial and populist tensions in the Middle East only serve to make this title more relevant Anyone who wants to have a grasp of Middle Eastern politics or political tensions involving Israel must read this title *Six Days of War* was a New York Times Bestseller and Washington Post Best Book Award Winner in 2002 and has gone on to be an internationally acclaimed bestseller The book has been widely recognized as the definitive telling of the Six Day War

Six Days of War Michael B. Oren, 2004 For six tense days between June 5 and 10 1967 war raged between Israel and its neighbors Egypt Jordan and Syria There are many contexts in which this story makes sense but only Michael Oren a widely published American born Israel scholar and historian has so far knitted the diverse strands into a cohesive fabric that remains vital and relevant today With educated authority and authorial integrity Oren manages to sketch out facts and motives with the same intrigue as battles and strategies Escalating territorial and populist tensions in the Middle East only serve to make this title more relevant Anyone who wants to have a grasp of Middle Eastern politics or political tensions involving Israel must read this title *Six Days of War* was a New York Times Bestseller and Washington Post Best Book Award Winner in 2002 and has gone on to be an internationally acclaimed bestseller The book has been widely recognized as the definitive telling of the Six Day War

Israel Yearbook on Human Rights, Volume 49 (2019) Yoram

Dinstein, 2019-09-16 The Israel Yearbook on Human Rights an annual published under the auspices of the Faculty of Law of Tel Aviv University since 1971 is devoted to publishing studies by distinguished scholars in Israel and other countries on human rights in peace and war with particular emphasis on problems relevant to the State of Israel and the Jewish people The Yearbook also incorporates documentary materials relating to Israel and the Administered Areas which are not otherwise available in English including summaries of judicial decisions compilations of legislative enactments and military proclamations

Operational Art Milan Vego, 2025-03-18 This book describes and explains the theory of operational art an intermediate field of theory and practice between tactics and strategy This book is one of relatively few works in the English language on the theory of operational art It deals predominantly with the theory of operational art as applied to preparing planning and conducting a high intensity conventional war In contrast to other works the book is written in broad terms rather than focusing on national military culture and experience which allows more flexibility in adjusting to new evidence The book explains the theory of operational art in all three physical dimensions land sea and air space and describes analyses various aspects of operational art in general terms using historical examples to facilitate the understanding of the theory The case studies focus on examples of major campaigns and operations in both the more recent and distant history of warfare including the current Ukraine Russia war This book will be of much interest to students of strategic studies military history defense studies and International Relations as well as military professionals

Mediation of International Conflicts

Lesley G. Terris, 2016-12-08 This book examines the use of third party mediation as a conflict resolution method In an attempt to explain why some but not all conflicts are mediated this work argues that diverse conflict structures are inherently different in their susceptibility to mediation attempts By offering a systematic method for measuring the transformability of conflict structures this book contributes to our understanding of the sufficient and necessary conditions for mediation In addition the study offers an analytical framework for the examination of mediation as a trilateral rational bargaining process Although the general concept of mediation as a three person game is not new most studies focus on either the disputants perspectives or the mediator s perspective In contrast this study integrates the perspectives of all three parties The framework links the different stages involved in the whole process of mediation from the onset of mediation through the mediation strategies used to the outcome rather than focusing on one particular aspect The book applies the framework to two case studies the conflict between Israel and Egypt and the conflict between India and Pakistan and provides new insights into these conflicts from a mediation perspective In general the model developed here provides a framework for systematically assessing conflicts and the options available to those involved in the mediation process This book will be of much interest to students of conflict resolution mediation war and conflict studies Asian politics Middle Eastern politics and IR in general

The Arab-Israeli Conflict Kirsten E. Schulze, 2013-11-14 In this fully revised new edition Kirsten Schulze brings us to a new understanding of the causes course and consequences of the Arab Israeli Conflict Schulze

analyses the dynamics of the violence and explores the numerous attempts at resolving the conflict She assesses why in the cases of Israel Egypt in 1978 and Israel Jordan in 1994 negotiations succeeded in bringing about a lasting peace and why in the cases of Israel and the Palestinians Syria and Lebanon they failed to do so Written in a clear and accessible style this fully updated second edition Traces the origins of the conflict from their first intellectual roots in the 19th century Examines the actions and aims of the competing nationalist movements during the period of the British Mandate which led to the creation of the state of Israel Outlines and analyses each of the Arab Israeli conflicts from the creation of the state of Israel in 1948 to the 2006 Lebanon war and the on going second Palestinian uprising With a diverse collection of documents and a Chronology Glossary Guide to Further Reading and a Who's Who summarizing the careers and contributions of the main figures this book is absolutely vital to understanding the current Israeli Palestinian violence the intra Palestinian rift between Hamas and Fatah and why the Arab Israeli conflict has become the centre of Muslim politics both violent and non violent across the world

Public Administration and Policy in the Middle East Alexander R. Dawoody, 2014-09-22 The various and different Middle Eastern countries are addressing new key reform and governance reform processes but also administration and policy issues of enduring importance decentralization and local government non profit organizations political culture and reform of the policy process This book provides assessment of national strategies for reform in public administration and policy how these strategies have fared in implementation and what challenges must be overcome to achieve real and sustainable progress Seven country case studies will explore the overall policy making process from a critical perspective and consider how it could be strengthened Four cases will deal with the controversial issues of decentralization of power and decision making Two cases will address the role of civil society in the policymaking and reform process Introductory and concluding chapters will place these discussions in context and draw the primary lessons for policy makers The main objectives of the book are to present different examples of specific public policy and administration as well as governance issues in the Middle East so that policymakers both in the region and the world who are interested in the Middle East as well as practitioners scholars and graduate students can utilize the book as a study guide to better understand various dynamics in governance in the Middle East This approach will enable the volume to bridge global perspectives on governance development with regional perspectives and experience bringing shared expertise intellectual inquisitiveness and experience in the professional practice of public policy and administration to bear on these common challenges

The Encyclopedia of the Arab-Israeli Conflict Spencer C. Tucker, Priscilla Roberts, 2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military political social cultural and religious origins of the Arab Israeli conflict The Encyclopedia of the Arab Israeli Conflict A Political Social and Military History is the first comprehensive general reference encompassing all aspects of the contentious Arab Israeli relationship from biblical times to the present with an emphasis on the era beginning with World War I The Encyclopedia of the Arab Israeli Conflict goes beyond simply recapping military

engagements In four volumes with more than 750 alphabetically organized entries plus a separate documents volume it provides a wide ranging introduction to the distinct yet inextricably linked Arab and Israeli worlds and worldviews exploring all aspects of the conflict The objective analysis will help readers understand the dramatic events that have impacted the entire world from the founding of modern Israel to the building of the Suez Canal from the Six Day War to the Camp David Accords from the assassinations of Anwar Sadat and Yitzhak Rabin to the rise and fall of Yasser Arafat the 2006 Palestinian elections and the Israeli Hezbollah War in Lebanon **Israel** Anita Shapira,2014-08-05 A history of Israel in the context of the modern Jewish experience and the history of the Middle East Armies of Sand Kenneth Michael Pollack,2019 Since the Second World War Arab armed forces have consistently punched below their weight They have lost many wars that by all rights they should have won and in their best performances only ever achieved quite modest accomplishments Over time soldiers scholars and military experts have offered various explanations for this pattern Reliance on Soviet military methods the poor civil military relations of the Arab world the underdevelopment of the Arab states and patterns of behavior derived from the wider Arab culture have all been suggested as the ultimate source of Arab military difficulties Armies of Sand Kenneth M Pollack s powerful and riveting history of Arab armies from the end of World War Two to the present assesses these differing explanations and isolates the most important causes Over the course of the book he examines the combat performance of fifteen Arab armies and air forces in virtually every Middle Eastern war from the Jordanians and Syrians in 1948 to Hizballah in 2006 and the Iraqis and ISIS in 2014 2017 He then compares these experiences to the performance of the Argentine Chadian Chinese Cuban North Korean and South Vietnamese armed forces in their own combat operations during the twentieth century The book ultimately concludes that reliance on Soviet doctrine was more of a help than a hindrance to the Arabs In contrast politicization and underdevelopment were both important factors limiting Arab military effectiveness but patterns of behavior derived from the dominant Arab culture was the most important factor of all Pollack closes with a discussion of the rapid changes occurring across the Arab world political economic and cultural as well as the rapid evolution in war making as a result of the information revolution He suggests that because both Arab society and warfare are changing the problems that have bedeviled Arab armed forces in the past could dissipate or even vanish in the future with potentially dramatic consequences for the Middle East military balance Sweeping in its historical coverage and highly accessible this will be the go to reference for anyone interested in the history of warfare in the Middle East since 1945

The Golan Heights Yigal Kipnis,2013-05-29 Presenting the settlement landscape of the Golan before and after June 1967 The Golan Heights deals with the issue of the border between Israel and Syria and with the Israeli settlement process in the area following the Six Day War The story of the Golan Heights and its position between Syria and Israel does not belong only to the past it is still interwoven in the political present of the two countries Public discourse in Israel on the political future of the Golan and the direct and indirect political discussions between Israel and Syria rest to a great extent on personal and

collective memories and these by nature are based on the past The perceptions of the Israeli public were constructed upon the image of a mountain that became a monster This image reached its peak on the eve of the Six Day War in June 1967 but continued to be consolidated and preserved in the Israeli collective memory and so it has remained until the present Addressing the question of the political future of the Golan a central issue for both Israel and the wider Middle East this book will be an invaluable resource for students and scholars of Political History Settlement Geography and Geopolitics Dr Yigal Kipnis teaches International Relations at Haifa University He received a BS in Civil Engineering from the Technion in Haifa and an MA and PhD in Land of Israel Studies from Haifa University His first book *The Mountain That Was as a Monster The Golan Between Syria and Israel* was published in 2009 His second book *1973 The Way to War* published in 2012 immediately became a bestseller It reveals the continuing political process which led to the Middle East war of October 1973 **Arms Transfers to Israel** David Rodman, 2007-03-01 Divided into two parts this book talks about two common myths about the American Israeli patron client relationship that arms transfers to Israel have been motivated by American domestic politics rather than national interests and that these arms transfers have come without any political strings attached to them

Exploring Intelligence Archives R. Gerald Hughes, Peter Jackson, Len Scott, 2008-03-11 This edited volume brings together many of the world's leading scholars of intelligence with a number of former senior practitioners to facilitate a wide ranging dialogue on the central challenges confronting students of intelligence The book presents a series of documents nearly all of which are published here for the first time accompanied by both overview and commentary sections The central objectives of this collection are twofold First it seeks to build on existing scholarship on intelligence in deepening our understanding of its impact on a series of key events in the international history of the past century Further it aims to explore the different ways in which intelligence can be studied by bringing together both scholarly and practical expertise to examine a range of primary material relevant to the history of intelligence since the early twentieth century This book will be of great interest to students of intelligence strategic and security studies foreign policy and international history **Israel's Clandestine Diplomacies** Clive Jones, Tore T. Petersen, 2013 Provides fascinating insights into how Mossad leaders such as Yaacov Nimrodi Meit Amit and Reuven Shiloah conducted secret diplomatic missions to Turkey Syria Jordan Iran and elsewhere from before the founding of Israel to the present **Advocating for Israel** Natan Aridan, 2017-08-22 This study analyzes the unique triangular relationship between Israel's diplomatic representatives pro Israel advocates and US administrations draws on a wealth of Hebrew and English primary documentation that includes government archives surveillance records wiretappings personal oral interviews and diaries of key individuals Natan Aridan demonstrates how a small new state succeeded in establishing a level of political economic and military aid that has made for an alliance that is unique in the American experience Revealed in considerable depth are the dilemmas facing Israeli and US leaders and pro Israel organizations and the extent to which individual Jewish leaders maneuvered as conduits between Israeli governments and US

administrations whose senior dramatis personae in turn attempted to influence moderate restrain and change the course of policy decisions and actions Each administration had multiple voices and international contingencies presented different challenges all of which had a major impact in fluctuations and shifts in policies toward Israel There was nothing inevitable about military and financial support for Israel It was only by the end of the period that a distinct pattern began to emerge Eventual qualified US support took a long and complicated path developed over many decades on multidimensional levels The book refutes insidious allegations that from Israel s inception Jewish influence and a powerful Israel lobby hijacked US foreign policy to achieve unreserved military and financial support for Israel that undermined the best interests of the US The author illustrates one of the poorly misunderstood aspects on the subject by demonstrating how Israeli governments were more astute and powerful than previous scholars have realized and that they were in fact pulling the strings far more than AIPAC and wealthy Jews He also demonstrates that a contributing factor on the decision to aid Israel understated in previous research lay in Israel exploiting its nuisance value

Non-Aligned Movement Summits Jovan Cavoški, 2022-05-19 Using newly declassified documents from Serbian British Indian Chinese Myanmar U S and Soviet archives *Non Aligned Movement Summits* shows how the Non Aligned Movement NAM gradually evolved into the third force of Cold War politics enveloping most of the post colonial and non bloc world Jovan Cavo ki follows the evolution of the NAM through its summits and other gatherings during which major political decisions pertaining to the destiny of the Third World were made These events were scrutinized by all major powers and had a corresponding effect on their policies From the Belgrade Conference in 1961 until 1989 all major Third World and non bloc nations met to demonstrate to the Eastern and Western Blocs that they were independent active and respected participants in world affairs Cavo ki shows how these summits were also closely related to events occurring in the relationship between the two blocs providing opportunities for non bloc actors to influence the global balance of power By moving the focus of 20th century international history away from the bloc nations and instead giving developing nations in Africa and Asia due attention this book provides a fresh perspective on Cold War history and fills a significant gap in the literature It is an important study for all students and scholars of the Cold War and international history

Israel's National Security Predicament David Rodman, 2023-09-29 This book provides a ground breaking assessment of the Israeli national security experience from the establishment of the country through to the present day Seventy five years after its establishment the State of Israel continues to face an acute national security predicament as a result of the still unresolved Arab Israeli conflict This monograph offers a new framework for analyzing this experience first exploring the crucial events of the past and present that define it including interstate wars asymmetrical wars low intensity conflicts and developments in weapons of mass destruction The book then probes how Israel s evolving national security doctrine has addressed these various challenges over the years highlighting the roles of a number of variables deterrence warning and decision strategic depth and defensible borders the quality and quantity of fighting men and machines

intelligence self reliance in military matters foreign policy and the influence of ethnic demography societal resilience economic prosperity and water security Written in accessible non technical language the book will appeal to general readers seeking an introduction to Israeli security as well as to specialists and researchers in various fields including Israeli history Middle Eastern politics and security studies *Infantry*, 2005 The Routledge Handbook of the Cold War Artemy M. Kalinovsky, Craig Daigle, 2014-06-05 This new Handbook offers a wide ranging overview of current scholarship on the Cold War with essays from many leading scholars The field of Cold War history has consistently been one of the most vibrant in the field of international studies Recent scholarship has added to our understanding of familiar Cold War events such as the Korean War the Cuban Missile Crisis and superpower d tente and shed new light on the importance of ideology race modernization and transnational movements The Routledge Handbook of the Cold War draws on the wealth of new Cold War scholarship bringing together essays on a diverse range of topics such as geopolitics military power and technology and strategy The chapters also address the importance of non state actors such as scientists human rights activists and the Catholic Church and examine the importance of development foreign aid and overseas assistance The volume is organised into nine parts Part I The Early Cold War Part II Cracks in the Bloc Part III Decolonization Imperialism and its Consequences Part IV The Cold War in the Third World Part V The Era of Detente Part VI Human Rights and Non State Actors Part VII Nuclear Weapons Technology and Intelligence Part VIII Psychological Warfare Propaganda and Cold War Culture Part IX The End of the Cold War This new Handbook will be of great interest to all students of Cold War history international history foreign policy security studies and IR in general
