Blinder, 2018-03-27 A bestselling economist tells us what both politicians and economists must learn to fix America s failing economic policies American economic policy ranks as something between bad and disgraceful As leading economist Alan S Blinder argues a crucial cultural divide separates economic and political civilizations Economists and politicians often talk and act at cross purposes politicians typically seek economists advice only to support preconceived notions not to learn what economists actually know or believe Politicians naturally worry about keeping constituents happy and winning elections Some are devoted to an ideology Economists sometimes overlook the real human costs of what may seem to be the obviously best policy to a calculating machine In Advice and Dissent Blinder shows

how both sides can shrink the yawning gap between good politics and good economics and encourage the hardheaded but softhearted policies our country so desperately needs

Lead Positive Kathryn D. Cramer, 2014-02-17 How to implement effective magnetic leadership by applying asset based thinking and shifting your mindset from the negative to the positive Lead Positive takes the fundamentals of Asset Based Thinking ABT and turns them into a playbook for successful leadership ABT is a simple mindset management process that shows people how to make small shifts in perception and thinking to achieve great results Cramer shows leaders how to apply ABT to shift their attention away from what is negative and learn to intentionally shine the spotlight on the positive beneficial facts of a situation As they make this mental shift from negative to positive aspects they improve their optimism empathy and confidence When their mindset zooms in on what is strong valuable and possible what they say and do is far more likely to inspire others to action In short ABT helps leaders shift internally so they can excel externally Lead Positive weaves neuroscience and positive psychology to create effective leadership strategies

The Palgrave Handbook of Presidents and Prime Ministers From Cleveland and Salisbury to Trump and Johnson Michael Patrick Cullinane, Martin Farr, 2022-01-13. This handbook examines the personal relationships between American presidents and British prime ministers. It aims to determine how personal diplomacy shaped the Anglo-American relationship and whether individual leaders made the relationship special. From the great rapprochement of the 1890s to the Cold War and contemporary transatlantic rapport, the Anglo-American relationship has been one of global significance, making presidents and prime ministers central to international security, trade and commerce, culture and communication. Naturally, it explores the ideas and convictions of presidents and prime ministers, the political parties they led, as well as the political images constructed in the media and how the aura of the Anglo-American relationship might differ from the reality. With a deeper understanding of these political leaders and the relationship they forge with their counterparts, we come that much closer to appreciating the dynamics of transatlantic statecraft.

Sizzle And Substance: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Sizzle And Substance : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
