The Effective School Leader's Guide to Management Jane L. Sigford,2005-10-07 Discover how to be a successful school leader and manager Exploring 15 vital topics as well as offering strategies and examples Jane L Sigford demonstrates how effective schools are a marriage of management and leadership Organized into three sections management and leadership theories managing the school and managing yourself this resource helps administrators understand the complexity of leadership and addresses the application of effective management skills to create successful learning communities Written for new and veteran school leaders this essential guide Acts as a handbook which contains an overview of individual components of school leadership normally scattered among many textbooks and resources Provides suggested resources for more in depth study Offers individual reflective practice questions throughout for personal use Suggests questions to help facilitate professional development group discussions especially among peers The Effective School Leader's Guide to Management illustrates how school administrators can run a school efficiently balancing their roles as instructional leaders and effective school managers while still having time to improve professional development foster parent and community relationships make data driven decisions and nurture personal growth and leadership

Managing Today's Schools Jeffrey Glanz,2022-02-20 Successful principals today need skills in both management and leadership because both are essential to achieve success in all facets of running a school one is not necessarily more important than the other However there are not many books solely devoted to school management Most work on school management is part of larger works on school administration Managing Today's Schools New Skills for School Leaders in the 21st Century is unique

in that the focus on managerially operating a school does not hinder discussion on the interconnectedness between management and leadership. Additionally, emphasis is placed on 21st century cutting edge ideas about school management. Each chapter includes case study type scenarios with thought provoking questions that simultaneously summarize the chapter while also helping readers think about the ways they might put the ideas of the chapter into practice.

21st Century Challenges for School Administrators Theodore J. Kowalski, George Michael Perreault, 2001-07-30 Keys to Successful 21st Century Educational Leadership Michael Jazsar, Robert Algozzine, 2007 Accessible, engaging and highly acclaimed as the sole book of its kind, *Keys To Successful 21st Century Educational Leadership* presents critical lessons to transform individuals into visionary educational leaders that are skillful agents with ethical credibility. This is an original book representing perspectives derived from years of research and the authors' unique partnership and practical experience providing guidance for effective educational leadership in public and private schools and successful preparation of competent educational leaders. *Keys to Successful 21st Century Educational Leadership* is a book that will find its place on the desks of practicing educational leaders to aid them in meeting the numerous and unexpected educational challenges they face everyday.

An Evidence-based Approach to the Practice of Educational Leadership Ronald W. Rebores, Angela Lynn Evans Walmsley, 2007 This text presents a thorough and current best practice treatment of Educational Leadership in schools and school districts that addresses the complex use of quantitative and qualitative evidence in the decision making process. The text covers the full range of introductory issues faced by school leaders today and emphasizes areas that are critical and timely. The authors address standard leadership topics and also further explore current social, cultural, technological and economic realities. This text utilizes ISLLC/ELCC guidelines so that students can develop a leadership approach that reflects current standards and is organized around the processes and procedures necessary for implementing effective learning environments.
