Skookum's North Doug Urquhart, 1994 A dog's eye view of life in the north **Canadian Books in Print. Author and Title Index**, 1975 **Communities, Development, and Sustainability across Canada** John T. Pierce, Ann Dale, 2011-11-01 What is a sustainable community The pressing need to answer this simple question is what prompted John Pierce and Ann Dale to gather the essays in this volume *Communities Development and Sustainability across Canada* is a timely synthesis of work on how Canadian communities can achieve sustainable development It bridges the gap between theory and praxis and brings together academics policy makers and community activists all of whom have argued for increased local participation in sustainable community development Communities have become the weak link in efforts to refashion relations between the environment and the economy The goal of this book is not simply to describe problems but also to suggest answers not simply to offer theory but also to promote action so that Canadian communities can better achieve sustainable development The twelve essays are organized into four sections Vision Connections Action and Assessing Progress The first and last sections discuss local sustainable development within the context of increasing globalization The second section approaches sustainable development from the perspective of social evolution and urban systems The third section the heart of the book is comprised of three community case studies an assessment of the Pacific salmon fishery and four general discussions of sustainable development The conclusion reiterates the need to make communities stronger links in sustainable development The message of *Communities Development and Sustainability across Canada* is clear it is time for communities themselves to act if they are to achieve sustainable development This provocative and persuasive book will prove to be a valuable guide to taking the first steps **Canadian Books in Print**, 2003 **Canadian Books in Print 2002** Marian Butler, 2002-02 **Princeton Alumni Weekly**, 1958 [Delphi Complete Works of Hamlin Garland \(Illustrated\)](#) Hamlin Garland, 2021-05-23 A Pulitzer Prize winning American author Hamlin Garland is best remembered today for his short stories and his autobiographical *Middle Border* series of narratives charting the difficult lives of hard working Midwestern farmers His landmark story collection *Main Travelled Roads* was a popular success portraying the hardships of agrarian life deconstructing the conventional myth of the American prairie while highlighting the economic and social conditions of the rural Midwest This comprehensive eBook presents Garland's complete fictional works with numerous illustrations rare texts appearing for the first time informative introductions and the usual Delphi bonus material Version 1 Beautifully illustrated with images relating to Garland's life and works The complete *Middle Border* series for the first time in digital publishing Concise introductions to the major texts All 21 novels with individual contents tables Features many rare novels for the first time in digital publishing Images of how the books were first published giving your eReader a taste of the original texts Excellent formatting of the texts Rare short stories including *Delmar of Pima* first time in digital print Includes Garland's rare poetry collection available in no other collection Ordering of texts into chronological order and genres Please visit www
