The reggae of Bob Marley evokes Jamaica The soundtrack for Alabama is without question provided by our troubled troubadour Hank Williams The 2016 biography Hank by Mark Ribowsky paints a dark picture of the musician s short alcoholic drug filled life a life of loneliness and pain He goes so far as to call Hank s life story noir ish In Alabama Noir we encounter troubles and foibles galore darkness in many forms The stories range from the deadly grim to some that are actually mildly humorous We see desperate behavior on the banks of the Tennessee River in the neighborhoods of Birmingham in the affluent suburbs of Mobile in a cemetery in Montgomery and even on the deceptively pleasant beaches of the Gulf of Mexico Fans of noir should all find something to enjoy

The Skunks Fiona Warnick,2024-05-07 Who knew a quarter life crisis could be so engaging and delightful Who knew Skunks were so charming and thoughtful This book passed like a dream The Associated Press A hilarious look at post grad life and the loneliness uncertainty and occasional joy that comes with it TIME a Best Book of May Charming earnest Readers will be moved by the authenticity of Isabel s reflections The New York Times Reminiscent of Elif Batuman and Sally Rooney Fiona Warnick s precise and tender prose captures the formative moments of a young woman s life from the slow burn of a new crush to the swish of a skunk s tail Dear Skunks I wrote Then I got stuck What was there to say about the skunks Of course there was the smell the spraying Everyone s mind jumped to the spraying I often forgot about the spraying entirely which was nice because it made me feel that I wasn t like other people From the outside Isabel doesn t seem to have much going on It s the summer after college graduation and she s moved back to her hometown where she spends her days house sitting babysitting working the front desk at a yoga studio and hanging out with her childhood friend Ellie But on the inside Isabel s mind is always running always analyzing and right now she s trying hard to not let her thoughts give weight to boys So when Isabel spots three baby skunks in the yard their presence is not only a strangely thrilling break from the expected it feels like a fortuitous sign from the universe Skunks That s what she should be thinking about As the summer unfolds Isabel becomes increasingly preoccupied with the skunks while also navigating her various jobs and an ambiguous relationship with Eli the son of the couple she s house sitting for In her own life and in the imagined inner lives of the skunks Isabel ponders the nature of existence love vs infatuation and the many small moments that make us animal make us human The Skunks is an unforgettable coming of age story about the complexities of crushes desire friendship and modern life

Compelled to Control J. Keith Miller,2010-01-01 this exciting book breaks new ground in identifying the major cause of relationship failure as the need to control in marriages and families with friends and within organizations Compelled to Control reflects Miller s sweeping knowledge as a thinker a speakers and a writer Going far beyond how to control a controller Miller speaks from the perspective of experience and personal change When a controller has the sense of life being out of control he says he or she reacts with an even stronger need to get things under control usually with the negative result of alienating the people who matter the most Miller tackles this deeply denied seemingly universal phenomenon with compassion and offers a way out of the dilemma He tells who to approach broken relationships in new ways leaving behind destructive patterns of perfectionism and self justification Keith miller is one of those rare writers who can combine intellectual acuity with deeply felt insight born of his own struggle for authenticity Compelled to Control is an impressive contribution to the literature of recovery and personal change **American Roadkill** Don H.
