Slab Rat:

Slab Rat Ted Heller, 2001-12-19 In the pitch perfect tradition of the very best of Nick Hornby Martin Amis and Christopher Buckley comes *Slab Rat* a razor sharp highly comic novel of lethal ambition and office politics Zachary Arlen Post is an up and coming editor at *It* magazine one of the glossiest jewels in the glittery publishing crown of Versailles Publishing The son of a well regarded architect and an eccentric Palm Beach socialite Zack was educated at an exclusive boarding school and has studied at Colgate Berkeley and Liverpool University He is an excellent golfer and has a talent for translating Plautus from the original Latin Or maybe not He is really Allen Zachary Post the son of a garment center bookkeeper from Queens and a pool supply salesman from Long Island But for Zack his background is too prosaic for a slightly lazy but very ambitious magazine editor who wants to move up at *It* Even though Zack has concocted a background that is more in keeping with the privileged world he wants to be a part of than the truth his ascent up the masthead has stalled Try though he might and maybe he is too lazy to try that hard he just cannot seem to get promoted Enter Mark Larkin a determined Harvard educated hire who understands how the corporate game is played Mark says the right things he lunches with the right people and he pitches the right stories A snob thriving in a world of snobs he begins to get noticed and to Zack's dismay is promoted quickly Zack realizes that something must be done Mark Larkin must be destroyed To complicate his life further Zack finds himself involved with two women One is a cool or is she just ice cold English beauty with a hyphenated last name and vague family connections to Winston Churchill The other is an eager sweet natured intern whose father is the magazine's barracuda corporate counsel Zack is torn between the style and hyphen of one and the good natured substance of the other In *Slab Rat* Ted Heller uses the magazine industry as a laboratory in which to dissect human nature He has written a biting outrageous story of how the rats that battle for dominance amid New York's skyscrapers or slabs survive and triumph and the price they must pay to win Full of dark comedy and a ruthless satire of office life and death *Slab Rat* is a novel rich with the wicked pleasures of the heart **Highway Focus**, 1979 Red Books British Fire Prevention Committee, 1920

Arterial Chemoreception Colin A. Nurse, Constancio Gonzalez, Chris Peers, Nanduri Prabhakar, 2012-10-19 Arterial chemoreceptors are unique structures which continuously monitor changes in arterial blood oxygen carbon dioxide glucose and acid Alterations in these gases are almost instantaneously sensed by arterial chemoreceptors and relayed into a physiological response which restores blood homeostasis *Arterial Chemoreception* contains updated material regarding the physiology of the primary arterial chemoreceptor the carotid body Moreover this book also explores tantalizing evidence regarding the contribution of the aortic bodies chromaffin cells lung neuroepithelial bodies and brainstem areas involved in monitoring changes in blood gases Furthermore this collection includes data showing the critical importance of these chemoreceptors in the pathophysiology of human disease and possible therapeutic treatments This book is a required text for any researcher in the field of arterial chemoreception for years to come It is also a critical text for physicians searching for

bench to bedside treatments for heart failure sleep apnea and pulmonary hypertension *Poromechanics* J.F. Thimus, et al, 2020-12-17 This text features 105 papers dealing with the fundamentals and the applications of poromechanics from the Biot conference of 1998 held in Louvain la Neuve Topics include wave propagation numerical modelling identification of poromechanical parameters and constitutive modelling Land of the Millrats Richard Mercer Dorson, 1981 Most of Richard Dorson's thirty years as folklorist have been spent collecting tales and legends in the remote backcountry far from the centers of population For this book he extended his search for folk traditions to one of the most heavily industrialized sections of the United States Can folklore be found he wondered in the Calumet Region of northwest Indiana Does it exist among the steelworkers ethnic groups and blacks in Gary Whiting East Chicago and Hammond In his usual entertaining style Dorson shows that a rich and varied folklore exists in the Region Although it differs from that of rural people it is equally vital Much of this urban lore finds expression in conversational anecdotes and stories that deal with pressing issues the flight from the inner city crime in the streets working conditions in the steel mills the maintenance of ethnic identity the place of blacks in a predominantly white society The folklore reveals strongly held attitudes such as the loathing of industrial work resistance to assimilation and black adoption of middle class white values Millworkers and mill executives housewives ethnic performers storekeepers and preachers tell their stories about the Region The concerns that occupy them affect city dwellers throughout the United States Land of the Millrats though it depicts a special place speaks for much of America

Reminiscences of a Queensland Engineer Andrew Patterson, 2021-11-10 Andrew Patterson looks back at his life growing up in suburban Brisbane and his career as a civil engineer in this memoir Born during World War II he grew up in a rented house in Doomben a short distance from the southern end of Brisbane's main Eagle Farm Aerodrome not a particularly safe place to live during wartime Many family members and friends used their home as a staging post on their way north to war His family life was sometimes odd with his father always urging him to do well in school or else he would turn him and his brother Gavin into bloody little Bank Johnnies He said it in such a disparaging way that it sounded like this would be the worst punishment they could possibly suffer He also recalls his array of experiences as a civil engineer working in Queensland and other projects throughout the world Join the author as he shares a firsthand account of growing up in Queensland his passion for sailing and flying and his fascinating life as an engineer *Building Construction and Structural Systems* Rajesh Kumar R, 2021-11-12 **Plate Boundaries and Natural Hazards** Joao C. Duarte, Wouter P.

Schellart, 2016-07-13 The beginning of the new millennium has been particularly devastating in terms of natural disasters associated with tectonic plate boundaries such as earthquakes in Sumatra Chile Japan Tahiti and Nepal the Indian Ocean and the Pacific Ocean tsunamis and volcanoes in Indonesia Chile Iceland that have produced large quantities of ash causing major disruption to aviation In total half a million people were killed by such natural disasters These recurring events have increased our awareness of the destructive power of natural hazards and the major risks associated with them While we have

come a long way in the search for understanding such natural phenomena and although our knowledge of Earth dynamics and plate tectonics has improved enormously there are still fundamental uncertainties in our understanding of natural hazards Increased understanding is crucial to improve our capacity for hazard prediction and mitigation Volume highlights include Main concepts associated with tectonic plate boundaries Novel studies on boundary related natural hazards Fundamental concepts that improve hazard prediction and mitigation Plate Boundaries and Natural Hazards will be a valuable resource for scientists and students in the fields of geophysics geochemistry plate tectonics natural hazards and climate science Read an interview with the editors to find out more <https://eos.org/editors-vox/plate-boundaries-and-natural-hazards>

"Red Books" of the British Fire Prevention Committee ... ,1920 **Bloomsbury Good Reading Guide** Nick Rennison,2009-11-23 Deciding what to read next when you've just finished an unputdownable novel can be a daunting task The Bloomsbury Good Reading Guide features hundreds of authors and thousands of titles with navigation features to lead you on a rich journey through some of the best literature to grace our shelves **Funnymen** Ted Heller,2002-04-03 SIGMUND ZIGGY BLISSMAN isn't the best looking sanest boy in the world Far far from it But this misfit child of a failed husband and wife vaudeville team has one and only one thing going for him He can crack people up merely by batting his eyelashes And Vittorio Vic Fontana the son of a fisherman is a fraud Barely able to carry a tune or even stay awake while attempting to the indolent baritone if that's what he is has one thing going for him Women love to look at him On their own they're failures But on one summer night in the Catskills they step onstage and together become the funniest men and the hottest act in America Funnymen is the wildly inventive story of Fountain and Bliss the comedy duo that delighted America in the 1940s and 50s Conceived as a fictional oral biography and filled with more than seventy memorable characters Funnymen details the extraordinary careers of two men whose professional success is never matched in their personal lives The two men fight constantly with their managers their wives their children their mistresses and those responsible for their success each other The stories recounted about Vic and Ziggy and the truths Heller reveals about human ambition egotism and friendship make Funnymen a wild ride of a novel that is also a rare and imaginative masterpiece of storytelling **Questions Where Are You?** Susanna Newton,2013-02-06 Prayers were sought for a mate who would love her as much as she had him Reluctant to go to the not so nice seen of the bar theme told God he would have to place him on her lap had not anticipated this man to be the one who could make her life miserable Taking away the little monies she received from an accident her struggles in life was nothing compared to the hell she was to face Sure there was a brief period of happiness but hell was soon placed at her feet leaving her to ask the question had her prayers been answered by God or Satan himself **Stay Awake** Dan Chaon,2012-02-07 Eerily beautiful Chaon is the modern day John Cheever Boston Sunday Globe Powerful and disturbing The shocks in this collection are many The Washington Post These haunting suspenseful stories by acclaimed author Dan Chaon feature scattered families unfulfilled dreamers anxious souls lost fragile searching characters who wander between ordinary

life and a psychological shadowland They have experienced intense love or loss grief or loneliness displacement or disconnection and exist in a twilight realm in a place by the window late at night when the streets are empty and the world appears to be quiet But it is not and neither are you And since you cannot sleep you stay awake Chaon is able to create fully realized characters in mere pages This collection is further proof that Chaon is one of the best fiction writers working right now Omaha World Herald There are not many fiction writers who can do what Dan Chaon can do He is a literary force The Philadelphia Inquirer Intense and suspenseful a highly recommended work not to be missed Library Journal starred review Mesmerizing gripping masterful fiction The Plain Dealer Superbly disquieting The New York Times Book Review Don't miss the exclusive conversation between Dan Chaon and Emma Straub at the back of the book Look for special features inside Join the Circle for author chats and more

So Many Books, So Little Time Sara Nelson, 2004-10-05 Will make many readers smile with recognition The New Yorker Readaholics meet your new best friend People This book is bliss The Boston Globe Sometimes subtle sometimes striking the interplay between our lives and our books is the subject of this unique memoir by well known publishing correspondent and self described readaholic Sara Nelson The project began as an experiment with a simple plan fifty two weeks fifty two books that fell apart in the first week It was then that Sara realized the books chose her as much as she chose them and the rewards and frustrations they brought were nothing she could plan for From Solzhenitsyn to Laura Zigman Catherine M to Captain Underpants the result is a personal chronicle of insight wit and enough infectious enthusiasm to make a passionate reader out of anybody

Love Monkey Kyle Smith, 2009-10-13 Many men aim high Tom Farrell dares to be average While his friends accumulate wedding rings mortgages and even alarmingly babies Tom still lives alone in his rented apartment with nothing but condiments and alcohol in his refrigerator He spends Saturday mornings watching cartoons and eating Cocoa Puffs out of an Empire Strikes Back bowl and devotes the rest of the weekend to his other favorite hobbies sports and girls His credo to think and act like a thirteen year old boy at all times has worked well enough to land him a decent job writing headlines for the New York Tabloid But neither his personal life nor his professional life has any forward momentum he's occupied the same cubicle since the first George Bush was president and is currently between girlfriends At thirty two it starts to occur to him There's a fine line between picky and loser Enter a sly beautiful coworker named Julia After a few torrid dates Tom is hooked She's like cleaning behind my refrigerator A once in a lifetime thing But the closer he gets to Julia the more elusive she becomes Frustrated Tom seeks the dubious advice of his buddy Shooter a shallow sexual gladiator and wonders why he keeps getting into arguments with Bran his smart sarcastic default date But then tragedy strikes and everyone's attitudes toward life and love change and even Tom begins to see himself in a new light By turns riotous and tenderhearted Kyle Smith's Love Monkey is the most candid and excruciatingly funny exploration of the male mind and libido since High Fidelity
