Slanted News A Case Study Of The Nixon:

Slanted News; a Case Study of the Nixon and Stevenson Fund Stories Arthur Edward Rowse, 1957 *A Companion to Richard M. Nixon* Melvin Small, 2013-05-03 This companion offers an overview of Richard M Nixon's life, presidency and legacy as well as a detailed look at the evolution and current state of Nixon scholarship. Examines the central arguments and scholarly debates that surround his term in office. Explores Nixon's legacy and the historical significance of his years as president. Covers the full range of topics from his campaigns for Congress to his career as Vice President to his presidency and Watergate. Makes extensive use of the recent paper and electronic releases from the Nixon Presidential Materials Project.

Richard Nixon Hal Bochin, 1990-01-19 Although much has been written about Richard Nixon the man and the politician comparatively little attention has been paid to Nixon the public speaker. This is unfortunate because it was through public speaking that Nixon an introverted private man first captured public attention, won a seat in the House of Representatives, advanced to the Senate, held on to his vice presidential nomination, lost and won the presidency and eventually molded a constituency that carried him to one of the most overwhelming presidential election victories in American history. It was also through public speaking that President Nixon attempted to defend himself against charges related to the Watergate incident and sought to save himself from impeachment. When his rhetorical efforts failed to rouse popular support he had no choice but to resign. This volume examines the combination of personal characteristics and artistic choices that made Richard M Nixon a successful albeit extremely controversial public speaker from 1946 to the present. Based on Nixon's own writings, primary materials found in special collections, a number of rhetorical studies by communication scholars and historical case studies, the most complete picture yet of Nixon as a rhetorical strategist emerges. The study of Nixon's rhetoric is the study of many important issues from the alleged threat of subversive communism to Vietnam to Watergate, confronting America from 1946 to 1974. It is also the study of the man himself because Nixon took an active role in the composition of all his important addresses. That both the highs and lows of Richard Nixon's career were marked by public address makes the rhetoric of Richard Nixon a worthy subject for anyone interested in political science, history or communication and persuasion.

Slanted News. A Case Study of the Nixon and Stevenson Fund Stories, Etc. [With Facsimiles.] Arthur Edward ROWSE, 1959 *The Stevensons* Jean H. Baker, 1997-06 Presents a portrait of four generations of the Stevenson family in America from the first Scotch Irish immigrants to the life and career of the noted liberal politician Adlai Stevenson.

Eisenhower in War and Peace Jean Edward Smith, 2013-05-07 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Christian Science Monitor, St. Louis Post-Dispatch, Magisterial, The New York Times. In this extraordinary volume Jean Edward Smith presents a portrait of Dwight D Eisenhower that is as full, rich and revealing as anything ever written about America's thirty-fourth president. Here is Eisenhower the young dreamer charting a course from Abilene, Kansas to West Point and beyond. Drawing on a wealth of untapped primary sources, Smith provides new insight into Ike's maddening

apprenticeship under Douglas MacArthur Then the whole panorama of World War II unfolds with Eisenhower s superlative generalship forging the Allied path to victory Smith also gives us an intriguing examination of Ike s finances details his wartime affair with Kay Summersby and reveals the inside story of the 1952 Republican convention that catapulted him to the White House Smith s chronicle of Eisenhower s presidential years is as compelling as it is comprehensive Derided by his detractors as a somnambulant caretaker Eisenhower emerges in Smith s perceptive retelling as both a canny politician and a skillful decisive leader He managed not only to keep the peace but also to enhance America s prestige in the Middle East and throughout the world Unmatched in insight Eisenhower in War and Peace at last gives us an Eisenhower for our time and for the ages NATIONAL BESTSELLER Praise for Eisenhower in War and Peace A fine new biography Eisenhower s White House years need a more thorough exploration than many previous biographers have given them Smith whose long distinguished career includes superb one volume biographies of Grant and Franklin Roosevelt provides just that The Washington Post Highly readable Smith shows us that Eisenhower s ascent to the highest levels of the military establishment had much more to do with his easy mastery of politics than with any great strategic or tactical achievements The Wall Street Journal Always engrossing Smith portrays a genuinely admirable Eisenhower smart congenial unpretentious and no ideologue Despite competing biographies from Ambrose Perret and D Este this is the best Publishers Weekly starred review No one has written so heroic a biography on Eisenhower as this year s Eisenhower in War and Peace by Jean Edward Smith The National Interest Dwight Eisenhower who was more cunning than he allowed his adversaries to know understood the advantage of being underestimated Jean Edward Smith demonstrates precisely how successful this stratagem was Smith America s greatest living biographer shows why now more than ever Americans should like Ike George F Will

Truman and the Democratic Party Sean J. Savage, 2021-12-14 What best defines a Democrat in the American political arena idealistic reformer or pragmatic politician Harry Truman adopted both roles and in so doing defined the nature of his presidency Truman and the Democratic Party is the first book to deal exclusively with the president s relationship with the Democratic party and his status as party leader Sean J Savage addresses Truman s twin roles of party regular and liberal reformer examining the tension that arose from this duality and the consequences of that tension for Truman s political career Truman saw the Democratic party change during his lifetime from a rural dominated minority party often lacking a unifying agenda to an urban dominated majority party with strong liberal policy objectives A seasoned politician who valued party loyalty and recognized the value of political patronage Truman was also attracted to a liberal ideology that threatened party unity by alienating southern Democrats By the time he succeeded Franklin Roosevelt the diversity of opinions and demands among party members led Truman to alternate between two personas the reformer committed to liberal policy goal civil rights national health insurance federal aid to education and the party regular who sought greater harmony among fellow Democrats Drawing on personal interview with former Truman administration members and party officials and on archival

materials most notably papers of the Democratic National Committee at the Harry S Truman Library Savage has produced a fresh perspective that is both shrewd and insightful This book offers historians and political scientists a new way of looking at the Truman administration and its impact on key public policies **Just Plain Dick** Kevin Mattson,2012-09-18 A behind the scenes 60th anniversary commemoration of the 37th President s famous Checkers speech demonstrates how it salvaged a psychologically troubled Nixon s position on Eisenhower s Republican ticket set the tone for the 1952 campaign and reflected period politics and culture By the author of What the Heck Are You Up To Mr President *Poisoning the Press* Mark Feldstein,2010-09-28 It is March 1972 and the Nixon White House wants Jack Anderson dead The syndicated columnist Jack Anderson the most famous and feared investigative reporter in the nation has exposed yet another of the President s dirty secrets Nixon s operatives are ordered to stop Anderson at all costs permanently Across the street from the White House they huddle in a hotel basement to conspire Should they try Aspirin Roulette and break into Anderson s home to plant a poisoned pill in one of his medicine bottles Could they smear LSD on the journalist s steering wheel so that he would absorb it through his skin lose control of his car and crash Or stage a routine looking mugging making Anderson appear to be one more fatal victim of Washington s notorious street crime Poisoning the Press Richard Nixon Jack Anderson and the Rise of Washington s Scandal Culture recounts not only the disturbing story of an unprecedented White House conspiracy to assassinate a journalist but also the larger tale of the bitter quarter century battle between the postwar era s most embattled politician and its most reviled newsman The struggle between Nixon and Anderson included bribery blackmail forgery spying and burglary as well as the White House murder plot Their vendetta symbolized and accelerated the growing conflict between the government and the press a clash that would long outlive both men Mark Feldstein traces the arc of this confrontation between a vindictive president and a flamboyant crusading muckraker who rifled through garbage and swiped classified papers in pursuit of his prey stoking the paranoia in Nixon that would ultimately lead to his ruin The White House plot to poison Anderson Feldstein argues is a metaphor for the poisoned political atmosphere that would follow and the toxic sensationalism that contaminates contemporary media discourse Melding history and biography *Poisoning the Press* unearths significant new information from more than two hundred interviews and thousands of declassified documents and tapes This is a chronicle of political intrigue and the true price of power for politicians and journalists alike The result Washington s modern scandal culture was Richard Nixon s ultimate revenge *The Gateway to History* Allan Nevins,2018-10-24 In this book originally published in 1962 one of America s most distinguished historians defines the scope and variety fo his field and out lines his views on history s objectives both as a science and as an art The book provides insight into historians methods of interpreting and presenting the past from Thucydides to twentieth century scholarship on Europe and America It sets apart the different approaches to history biographical cultural intellectual geographical and political illuminating the peculiar goals problems and development of each discipline It discusses the question of pre history

and its companion science archaeology and spans the history of the collection and use of records Literature of Journalism

Price, Price, Warren C Price, 1959 **Government by the People** James MacGregor Burns, Jack Walter Peltason, 1960 First

Interpreting the Newspaper in the Classroom: Foreign News and World Views William A. Nesbitt, 1971 **The
 Powers That Be** David Halberstam, 2012-12-18 A Pulitzer Prize winner s in depth look at four media business giants CBS TV
 Time magazine the Washington Post and the Los Angeles Times In this fascinating New York Times bestseller the author of
 The Best and the Brightest The Fifties and other acclaimed histories turns his investigative eye to the rise of the American
 media in the twentieth century Focusing on the successes and failures of CBS Television Time magazine the Washington Post
 and the Los Angeles Times David Halberstam paints a portrait of the era when large powerful mainstream media sources
 emerged as a force showing how they shifted from simply reporting the news to becoming a part of it By examining landmark
 events such as Franklin D Roosevelt s masterful use of the radio and the unprecedented coverage of the Watergate break in
 Halberstam demonstrates how print and broadcast media as a whole became a player in society and helped shape public
 policy Drawn from hundreds of exhaustive interviews with insiders at each company and hailed by the Seattle Times as a
 monumental X ray study of power The Powers That Be reveals the tugs of war between political ambition and the quest for
 truth in a page turning read This ebook features an extended biography of David Halberstam *Analysis of Newspaper
 Coverage of the 1968 California Republican Senatorial Primary Election* Michael Allen Smith, 1969 **University of
 California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Subjects**
