Gary Edward Schnittjer, 2023-04-18 The gospel story begins in Torah What culminates at Golgotha starts with the rebellion in the garden The Torah's story can be framed as a question How will the word of God overcome the human revolution Torah Story offers a student friendly introduction to the redemptive narrative housed in the first five books of the Bible Every main chapter introduces a section of Torah with attention to its basic structure This is followed by another look at how this portion of Torah connects to the rest of the Christian Bible The dynamic design includes opportunities in every chapter to make the most of Torah study including Helps for getting started focus questions key terms outline An interactive workshop with challenge questions and advanced questions Suggestions for research projects Next steps for further study A refreshingly new approach to the Torah neither an introduction nor a commentary Torah Story provides an apprenticeship on the Old Testament's first five books But it also provides a model of how to read Scripture intertextually with an eye to the New Testament gospels It leaves no doubt as to the overarching unity of the message and composition of the Pentateuch The second edition is streamlined and simplified throughout with updated examples and new sidebars and imagery *Jewish Biblical Interpretation and Cultural Exchange* Natalie B. Dohrmann, David Stern, 2013-06-18 Biblical interpretation is not simply study of the Bible's meaning This volume focuses on signal moments in the histories of scriptural interpretation of Judaism Christianity and Islam from the ancient period to the early modern and shows how deeply intertwined these religions have always been **Human Trafficking, The Bible and the Church** Marion L. S. Carson, 2017-05-26 Whilst the philosophical battle against slavery might have been won human trafficking is very much a problem for our time and continues to spark rigorous debate among Christians wrestling with what God's justice might look like today Can the Bible whose teaching on slavery is so at odds with our contemporary worldview inform efforts to end human trafficking and if so how In *Human Trafficking the Bible and the Church* Marion Carson offers a profound interdisciplinary account of how Christians have engaged with slavery in the past and how they might respond in the future Whilst rigorously scholarly and painstakingly researched this is at the same time a highly readable book that will refresh our own understanding and help shape our responsibility to bring about change **Youth Track** Harold F.
