American Literature in Transition, 1990-2000 Stephen J. Burn,2017-12-28 Written in the shadow of the approaching millennium American literature in the 1990s was beset by bleak announcements of the end of books the end of postmodernism and even the end of literature Yet as conservative critics marked the century s twilight hours by launching elegies for the conventional canon American writers proved the continuing vitality of their literature by reinvigorating inherited forms by adopting and adapting emerging technologies to narrative ends and by finding new voices that had remained outside that canon for too long By reading 1990s literature in a sequence of shifting contexts from independent presses to the AIDS crisis and from angelology to virtual reality American Literature in Transition 1990 2000 provides the fullest map yet of the changing shape of a rich and diverse decade s literary production It offers new perspectives on the period s well known landmarks Toni Morrison Thomas Pynchon David Foster Wallace but also overdue recognition to writers

such as Ana Castillo Evan Dara Steve Erickson and Carole Maso **Text, Lies and Cataloging** Jana Brubaker,2018-07-10 What do James Frey s A Million Little Pieces Margaret B Jones Love and Consequence and Wanda Koolmatrie s My Own Sweet Time have in common None of these popular books are what they appear to be Frey s fraudulent drug addiction memoir was really a semi fictional novel Jones chronicle of her life in a street gang was a complete fabrication and Koolmatrie was not an Aboriginal woman removed from her family as a child as in her seemingly autobiographical account but rather a white taxi driver named Leon Carmen Deceptive literary works mislead readers and present librarians with a dilemma Whether making recommendations to patrons or creating catalog records objectivity and accuracy are crucial and can be difficult when a book s authorship or veracity is in doubt This informative and entertaining study addresses ethical considerations for deceptive works and proposes cataloging solutions that are provocative and designed to spark debate An extensive annotated bibliography describes books that are not what they seem **Green Lantern** Christopher J.

Priest,Michael Ahn,2005-10 Book Two of the popular Sleepers series stars the original Green Lantern Alan Scott It begins by disclosing origins of the first Green Lantern and reveals how he came to have his power ring and how he uses his powers to fight evil In this instalment Scott enters World War II to fight a 17th century supervillain named Malvolio an anti Green Lantern who wants to take over the world Malvolio decides to cut a deal with Hitler that endangers the entire Allied campaign in Europe and the Pacific Not one to think small he is determined to eliminate the entire Green Lantern Corps destroy Earth and decimate all other worlds that have ever had the protection of a Green Lantern **Mystery Movie Series**

of 1930s Hollywood Ron Backer,2012-08-15 This companion volume to Mystery Movie Series of 1940s Hollywood

McFarland 2010 focuses on 22 series and 167 individual films primarily released during the 1930s. It was a decade that featured some of the most famous cinema detectives of all time among them Charlie Chan, Nick and Nora Charles, Philo Vance, Nancy Drew, and such lesser known but equally entertaining figures as Hildegard Withers, Torchy Blane, Mr Moto, Mr Wong, and Brass Bancroft. Each mystery movie series is placed within its historical context with emphasis on its source material and the changes or developments within the series over time. Also included are reviews of all the series films analyzing the quality and cohesiveness of the mystery plotlines. For titles based on literary sources, a comparison between the film and the written work is provided.

British Women Short Story Writers Emma Young, 2015-06-30. Essays tracing the evolving relationship between British women writers and the short story genre from the late Nineteenth Century to the present day. What is the relationship between the British woman writer and the short story? This collection examines what this versatile genre offers women writers and what this can tell us about the society and culture they inhabit. From the rise of the modern printing press at the end of the Nineteenth Century through to the present digital age, these essays examine how the short story has been deployed and reworked by women writers and how they have influenced and shaped the genre's development. Considering the effect of literary inheritances, societal and cultural change, and shifting publishing demands, this collection traces the evolution of the genre through to its continued appeal to women writing today. From the New Woman to contemporary feminisms, women's anthologies to microfiction, modernist writers to the contemporary works of Sarah Hall and Helen Simpson, the chapters in this collection investigate a crucial yet under-examined field of British literature. Key Features and Benefits: 12 chapters discussing a range of gender and genre issues since the fin de siècle to the present day. Sets out a clear trajectory to map both the historical and literary connections and divergences between British women short story writers. Offers a comprehensive account of the genre's development to provide scholars with a unique insight into a largely neglected aspect of women's writing. Includes new readings of canonical authors alongside more recent theoretical approaches, innovations, and lesser-discussed writers.
