Victor M. Corman

Songmakers Chair:

The Songmaker's Chair Albert Wendt, 2004 The Songmaker's Chair tells of a Samoan family the Aiga Sa Peseola who have been in Auckland since the 1950s Over three generations the family have intermarried with M ori and Pakeha to develop what they refer to as the Peseola Way Central to that Way is the magnificent Polynesian exploration and settlement of the Pacific and a songmaking tradition which Peseola Olaga the family patriarch has inherited from his father At the heart of the play is the love between Peseola Olaga and Malaga his wife and how they've struggled to give their children a good life in Aotearoa For theirs is the Peseola Way defiant honest and unflinching even in the face of death Jazz in Search of Itself

Larry Kart, 2008-10-01 In this engaging and astute anthology of jazz criticism Larry Kart casts a wide net Discussing nearly seventy major jazz figures and many of the music's key stylistic developments Kart sees jazz as a unique perpetual narrative one in which musicians their audiences and the evolving music itself are intimately intertwined Because jazz arose from the collision of specific peoples under particular conditions says Kart its development has been unusually immediate visible and intense Kart has reacted to and judged the music in a similarly active attentive and personal manner His involvement and attention to detail are visible in these pieces essays that analyze the supposed return to tradition that the music of Wynton Marsalis has come to exemplify searching accounts of the careers of Miles Davis Thelonius Monk Bill Evans and Lennie Tristano and writing that explores jazz's relationship to American popular song and examines the jazz musician's role as actual and would be social rebel **Catalog of Copyright Entries** Library of Congress. Program and Abstracts American Folklore Society. Annual Meeting, 1996 **A Chemehuevi Song** Clifford E. Trafzer, 2015-06-01 The Chemehuevi of the Twenty Nine Palms tribe of Southern California stands as a testament to the power of perseverance This small nomadic band of Southern Paiute Indians has been repeatedly marginalized by European settlers other Native groups and until now historical narratives that have all too often overlooked them Having survived much of the past two centuries without rights to their homeland or any self governing abilities the Chemehuevi were a mostly forgotten people until the creation of the Twenty Nine Palms Reservation in 1974 Since then they have formed a tribal government that addresses many of the same challenges faced by other tribes including preserving cultural identity and managing a thriving gaming industry A dedicated historian who worked closely with the Chemehuevi for more than a decade

Clifford Trafzer shows how this once splintered tribe persevered using sacred songs and other cultural practices to maintain tribal identity during the long period when it lacked both a homeland and autonomy The Chemehuevi believe that their history and their ancestors are always present and Trafzer honors that belief through his emphasis on individual and family stories In doing so he not only sheds light on an overlooked tribe but also presents an important new model for tribal history scholarship A Chemehuevi Song strikes the difficult balance of placing a community driven research agenda within the latest currents of indigenous studies scholarship Chemehuevi voices both past and present are used to narrate the story of the tribe s tireless efforts to gain recognition and autonomy The end result is a song of resilience **Music Trade Indicator** ,1924
