Sons And Lovers A Novel Of Division And Desire Twayne:

Sons and Lovers Ross C. Murfin, 1987 Describes the background and critical reception of Lawrence's novel and discusses the themes, conflicts, and characters in the work **Sons and Lovers; a Novel of Division and Desire** Ross C. Murfin, 1987

D. H. Lawrence Paul Poplawski, 1996-06-24 D H Lawrence remains one of the most popular and studied authors of the 20th century This book is a comprehensive but easy to use reference guide to Lawrence's life, works, and critical reception The volume has been systematically structured to convey a coherent overall sense of Lawrence's achievement and critical reputation but it is also designed to enable the reader who may be interested in only one aspect of Lawrence's career perhaps even in only one of his novels or stories to find relevant information quickly and easily without having to read other parts of the text The book begins with an original biography by John Worthen, one of the world's foremost authorities on Lawrence's life and work The chapters that follow provide separate entries for all of Lawrence's works except for individual poems and paintings with critical summaries, discussions of characters, and details of settings There is also a complete overview of Lawrence and film with the most complete listing available of film adaptations of his works and of criticism relating to them Each section of the book provides comprehensive primary and secondary bibliographical data including citations for the most recent scholarly studies Maps and chronologies further trace Lawrence's travels and his development over time *A Bibliography of D. H. Lawrence* Warren Roberts, Paul Poplawski, 2001-04-19 This pre-eminent bibliography for D H Lawrence was extensively revised, updated, and expanded by Paul Poplawski for publication in 2001 **Journal of Evolutionary Psychology**, 1998 **Defiant Desire** Kingsley Widmer, 1992 Kingsley Widmer, one of the most insightful and provocative learned critics, has long had a considerable influence on D H Lawrence studies Here he elaborates the crucial argument that the erotic conversion experience and its dialectic of social negation centrally define Lawrence, thus creating his major legacies In dialectically considering all of Lawrence's novels and many of his essays and stories, Widmer carries the issues beyond the texts to Lawrence's literary and ideological inheritors including Henry Miller and Norman Mailer In addition, he imbeds Lawrence's fictions and roles in the dark prophecy of affirmatively countering the Nietzschean tradition and in a striking chapter on Lady Chatterley's Lover explores the use of obscenity, sexual ideology, and anticlass utopianism This is Lawrence as a major dissident culture hero with a still pertinent drastic revisionism of human responses in a nihilistic world It is a large and controversial critical view *Forthcoming Books* Rose Arny, 1990 *The Best Books for Academic Libraries*, 2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers [Publications of the Arkansas Philological Association](#) Arkansas Philological Association, 1995 *Sons and Lovers* Ross C.
