*Heritage Knowledge in the Curriculum* Joyce E. King, Ellen E. Swartz, 2018-04-27. Moving beyond the content integration approach of multicultural education, this text powerfully advocates for the importance of curriculum built upon authentic knowledge construction informed by the Black intellectual tradition and an African episteme. By retrieving, examining, and reconnecting the continuity of African Diasporan heritage with school knowledge, this volume aims to repair the rupture that has silenced this cultural memory in standard historiography in general and in PK-12 curriculum content and pedagogy in particular. This ethically informed curriculum approach not only allows students of African ancestry to understand where they fit in the world but also makes the accomplishments and teachings of our collective ancestors available for the benefit of all. King and Swartz provide readers with a process for making overt and explicit the values, actions, thoughts, and behaviors reflected in an African episteme that serves as the foundation for African Diasporan sociohistorical phenomenon events. With such knowledge, teachers can conceptualize curriculum and shape instruction that locates people in all cultures as subjects with agency whose actions embody their ongoing cultural legacy.

*Sonoma Quadrant* C.H. Foertmeyer, 2002-09-05. Near Fordyce, New Mexico, in the midst of the Sonoma Desert lies the Sonoma Quadrant. No airplanes have ever disappeared in the Quadrant. Obviously, no ships have ever disappeared there either. What has disappeared there? People. For hundreds of years, people have gone into the Sonoma and have never returned.

Public records in nearby Fordyce indicate seventy two such disappearances dating back as far as 1874 when records were first kept Records from the abandoned Mexican village of Sonoma Rojo indicate disappearances dating back to 1644 Indian legends dating back to the Anasazi hint at the mysterious area as a place one does not return from But one man did emerge In 1880 a prospector known only as Griswald was allowed to leave Now in 2003 Griswald is returning to the Quadrant and taking with him Tom and John Fischer How could he still be alive Why after one hundred and twenty three years would Griswald return In this sequel to C H Foertmeyers The Cats Lair you will once again travel with the Guardians and discover things that may change forever the way in which you view the struggle between the powers of good and evil You really havent a clue

The Sovereign Self Grant H. Kester,2023-06-13 In The Sovereign Self Grant H Kester examines the evolving discourse of aesthetic autonomy from its origins in the Enlightenment through avant garde projects and movements in the nineteenth and twentieth centuries Kester traces the idea of aesthetic autonomy the sense that art should be autonomous from social forces while retaining the ability to reflect back critically on society through Kant Schiller Hegel Marx and Adorno Kester critiques the use of aesthetic autonomy as the basis for understanding the nature of art and the shifting relationship between art and revolutionary praxis He shows that dominant discourses of aesthetic autonomy reproduce the very forms of bourgeois liberalism that autonomy discourse itself claims to challenge Analyzing avant garde art and political movements in Russia India Latin America and elsewhere Kester retheorizes the aesthetic beyond autonomy Ultimately Kester demonstrates that the question of aesthetic autonomy has ramifications that extend beyond art to encompass the nature of political transformation and forms of anticolonial resistance that challenge the Eurocentric concept of Man upon which the aesthetic itself often depends
