How God Talks When He Isn't Talking Rev. Alvin Cordes, 2013-01-09. Reading the content pages of this book will show you that this book is very practical and may change you forever. However, there are some who should not read this book. I dare you to overcome the should-nots. Those who should NOT read this book: Anyone who does not want to have a loving relationship with God. Anyone who thinks psychiatrists and psychologists are smarter than the Bible when it comes to human nature. Any one who believes that God is not interested in his or her problems. Any one who thinks some things happen by chance without God's consent or control. Any one who thinks that there is no way to ask God for an immediate decision to do or not to do, to go or not to go, a certain direction. Any one who thinks the 66 Book Canon has no better information than any other book. On the other hand, if you want to learn what TICKS GOD OFF, if you finally see that drugs, getting drunk, sex, orgies, homosexuality, riches can never satisfy your longing for something real, if you want to try God out to see if He is really loving, this book will probably help you. Especially if you have been water baptized, you will finally realize that many times God had his finger on your life. I want to see you in heaven with me.
