**The Congregationalist** ,1922 *Perspectives on Prayer and Spirituality* Maurice Elliott,Patrick McGlinchey,2021-02-12 Spirituality has become a buzzword in our contemporary culture as individuals strive for meaning and fulfillment Its detachment from the church and conventional definitions of religious practice highlights the seeming redundancy of what has come before Spirituality in this light signals a new attempt to find wholeness unencumbered by outmoded doctrines and stale rituals It is the conviction of this publication that the intuition behind contemporary searches for spiritual reality is a good one It acknowledges that there must be more to life than what secular media or consumerism might tell us The joyful message of *Perspectives on Prayer and Spirituality* is that the spiritual quest is a valid one and worth exploring There is treasure to be found However the surprise is that we must rediscover what we have left behind In the words of G K Chesterton it is not that the Christian ideal has been tried and found wanting rather it has been found difficult and left untried This book offers us the tools to mine the riches of Christian spirituality and find that elusive treasure The title *Perspectives on Prayer and Spirituality* alerts us to the fact that life giving spirituality stems from relationship with a personal God who can be known *Children's Daily Prayer 2019-2020* Margaret Burk,Vivian E. *of Grace* David B. Batchelder, 2017-05-16 What if the church took with utmost seriousness that baptism is the gift of a new identity taking a lifetime to grow into And what if that identity includes God's call to a way of life made visible in how Jesus lived his This book is a response to these questions in relationship to the church's practice of baptizing children This book's underlying premise is that how the church helps parents prepare for baptism is vital to how the whole family lives its baptismal identity throughout life as well as to the renewal of churches themselves In the last several decades institutionalized Christianity has found itself renegotiating its relationship with a culture that often has churches on the defensive for practices that are little changed from an era now past and insufficient as a witness to life as Christ's disciple This book urges a reconsideration of what churches offer parents seeking baptism for a child offering a transformed vision of such a ministry as well as a practical guide for putting it in place in the life of churches Pastors educators and leaders will find a pathway to follow that promises to be life changing for all involved **The Guardian**, 1841 **Children's Daily Prayer 2022-2023** Karla Hardersen, 2022-02-01 Designed to provide school leaders and catechists with a complete order of prayer for every day of the school year this annual resource offers students a chance to pray together The format invites children to participate in the prayer service while including time for silent reflection to encourage children to examine what the Scriptures mean for their everyday lives It also includes prayer services for the liturgical seasons and special feasts and reproducible prayer services for children to take home to their families to celebrate occasions when they are not in school
