Crossing the Goal Danny Abramowicz, 2016-09-22 He seemed to have it all a beautiful family a big house and the celebrity that comes with being a star player in the National Football League In the late 60s and early 70s Danny Abramowicz was the toast of New Orleans but as his Catholic faith faded into the background he felt alone and helpless against the temptations and expectations of fame And so one day he called out that simple prayer Lord please help me This book is about the answer to that prayer Danny Abramowicz gives an inside view of his life in the NFL alongside the reinvigoration of his Catholic Faith and the development of a prayerful relationship with Jesus Christ Join him on his journey from cultural Catholic to EWTN television host and evangelizer of Catholic men across the country Even if you didn't play and coach professional football with the likes of Archie Manning and Mike Ditka you will find Danny's down to earth telling of his story approachable and relatable Most of all Danny brings the hope of brotherhood in Christ to all men who have felt or are now feeling the despair of professional personal and spiritual failure Our world needs courageous men of Christ to step into the breach armed with the virtues of faith and love and hope Learn about becoming a leader not just from Danny's coaching experiences but also from his work forming and sustaining men's groups in nearly every city in which he has lived Finally in this book Danny presents his spiritual fitness workout a time tested way to build up the muscles of faith to go to spiritual battle in a hostile world

Abraham,2006-03-09 The last few decades have seen a revolution in debates about the rationality of Christian belief Among the array of current options for justifying religious belief however nearly every one assumes that a general theory of knowing and a minimal version of theism must be adopted before the rationality of Christian belief can be tackled In *Crossing the Threshold of Divine Revelation* William J Abraham confronts both of these assumptions arguing that epistemology must begin with its particular target of inquiry in Abraham s case the full blooded canonical theism of the early undivided Christian church He argues moreover that special divine revelation forms a crucial threshold at the entrance to the

epistemology of Christian belief Sure to intrigue philosophers theologians and curious students Abraham s robust vision of Christian faith provides a creative solution to many of the current difficulties in philosophy and theology     Prayers Crossing
