Tall Betsy And Duncie Baby South Georgia Folktales:

Tall Betsy and Duncie Baby Mariella Glenn Hartsfield, 2009-09-01 These tales range from the supernatural to the romantic and from the sacred to the secular A celebration of American imagination tradition and manners this collection of folktales reveals the spirit of people who responded to the demands of rural living with grace good humor and endurance

Storytellers John A. Burrison, 1991 Presents 260 of the rural South's best stories collected over a twenty year period with their roots in Anglo Saxon African American and Native American traditions *Folktales of Newfoundland* Pbdirect J.D.A. Widdowson, Herbert Halpert, 2015-02-20 This collection of Newfoundland folk narratives first published in 1996 grew out of extensive fieldwork in folk culture in the province The intention was to collect as broad a spectrum of traditional material as possible and Folktales of Newfoundland is notable not only for the number and quality of its narratives but also for the format in which they are presented A special transcription system conveys to the reader the accents and rhythms of each performance and the endnote to each tale features an analysis of the narrator's language In addition Newfoundland has preserved many aspects of English and Irish folk tradition some of which are no longer active in the countries of their origin Working from the premise that traditions virtually unknown in England might still survive in active form in Newfoundland the researchers set out to discover if this was in fact the case *Folktales of Newfoundland* Pbdirect J.D.A. Widdowson, Herbert Halpert, 2015-02-20 This collection of Newfoundland folk narratives first published in 1996 grew out of extensive fieldwork in folk culture in the province The intention was to collect as broad a spectrum of traditional material as possible and Folktales of Newfoundland is notable not only for the number and quality of its narratives but also for the format in which they are presented A special transcription system conveys to the reader the accents and rhythms of each performance and the endnote to each tale features an analysis of the narrator's language In addition Newfoundland has preserved many aspects of English and Irish folk tradition some of which are no longer active in the countries of their origin Working from the premise that traditions virtually unknown in England might still survive in active form in Newfoundland the researchers set out to discover if this was in fact the case **The New Georgia Guide** University of Georgia Press, 1996 The Georgia Humanities Council presents a guidebook with cultural historical and regional coverage of Georgia **An Anthology of American Folktales and Legends** Frank de Caro, 2014-12-18 For folklorists students as well as general readers this is the most comprehensive survey of American folktales and legends currently available It offers an amazing variety of American legend and lore everything from Appalachian Jack tales African American folklore riddles trickster tales tall tales tales of the supernatural legends of crime and criminals tales of women and even urban legends The anthology is divided into three main sections Native American and Hawaiian Narratives Folktales and Legends and within each section the individual stories explore the myriad narrative traditions and genres from various geographic regions of the United States Each section and tale genre is introduced and placed in its narrative context by noted folklorist Frank de Caro Tale type and motif indexes

complete the work **Swapping Stories** Carl Lindahl, Maida Owens, C. Renée Harvison, 2009-10-20 Here are more than two hundred oral tales from some of Louisiana's finest storytellers. In this comprehensive volume of great range are transcriptions of narratives in many genres from diverse voices and from all regions of the state. Told in settings ranging from the front porch to the festival stage, these tales proclaim the great vitality and variety of Louisiana's oral narrative traditions. Given special focus are Harold Talbert, Lonnie Gray, Bel Abbey, Ben Guin, and Enola Matthews, whose wealth of imagination, memory, and artistry demonstrates the depth as well as the breadth of the storyteller's craft. For tales told in Cajun and Creole, French, Koasati, and Spanish, the editors have supplied both the original language and English translation. To the volume, Maida Owens has contributed an overview of Louisiana's folk culture and a survey of folklife studies of various regions of the state. Carl Lindahl's introduction and notes discuss the various genres and styles of storytelling common in Louisiana and link them with the worldwide world of the folktale.

Georgia Odyssey James C. Cobb, 2010-01-25 Georgia Odyssey is a lively survey of the state's history from its beginnings as a European colony to its current standing as an international business mecca, from the self-imposed isolation of its Jim Crow era to its role as host of the centennial Olympic Games and beyond. From its long reign as the linchpin state of the Democratic Solid South to its current dominance by the Republican Party, this new edition incorporates current trends that have placed Georgia among the country's most dynamic and attractive states. Fueled by the growth of its Hispanic and Asian American populations and otherwise dramatically altered, its demographic, economic, social, and cultural appearance and persona. The constantly shifting cultural landscape of contemporary Georgia. Writes James C. Cobb presents a jumbled panorama of anachronism, contradiction, contrast, and peculiarity. A Georgia native, Cobb delights in debunking familiar myths about his state as he brings its past to life and makes it relevant to today. Not all of that past is pleasant to recall, Cobb notes. Moreover, not all of today's Georgians are as unequivocal as the tobacco farmer who informed a visiting journalist in 1938 that we Georgians are Georgian as hell. That said, a great many Georgians, both natives and new arrivals, care deeply about the state's identity and consider it integral to their own. Georgia Odyssey is the ideal introduction to our past and a unique and often provocative look at the interaction of that past with our present and future.

American Studies Jack Salzman, 1990-05-25 This volume supplements the acclaimed three-volume set published in 1986 and consists of an annotated listing of American Studies monographs published between 1984 and 1988. There are more than 6,000 descriptive entries in a wide range of categories: anthropology and folklore, art and architecture, history, literature, music, political science, popular culture, psychology, religion, science and technology, and sociology.

The Routledge Companion to International Children's Literature John Stephens, 2017-09-11 Demonstrating the aesthetic, cultural, political, and intellectual diversity of children's literature across the globe, The Routledge Companion to International Children's Literature is the first volume of its kind to focus on the undervisited regions of the world. With particular focus on Asia, Africa, and Latin America, the collection raises awareness of children's literature and related media as they exist in large regions of the world.

to which mainstream European and North American scholarship pays very little attention Sections cover Concepts and theories Historical contexts and national identity Cultural forms and children s texts Traditional story and adaptation Picture books across the majority world Trends in children s and young adult literatures Exposition of the literary cultural and historical contexts in which children s literature is produced together with an exploration of intersections between these literatures and more extensively researched areas will enhance access and understanding for a large range of international readers The essays offer an ideal introduction for those newly approaching literature for children in specific areas looking for new insights and interdisciplinary perspectives or interested in directions for future scholarship

Encyclopedia of American Folklife Simon J Bronner,2015-03-04 American folklife is steeped in world cultures or invented as new culture always evolving yet often practiced as it was created many years or even centuries ago This fascinating encyclopedia explores the rich and varied cultural traditions of folklife in America from barn raisings to the Internet tattoos and Zydeco through expressions that include ritual custom crafts architecture food clothing and art Featuring more than 350 A Z entries Encyclopedia of American Folklife is wide ranging and inclusive Entries cover major cities and urban centers new and established immigrant groups as well as native Americans American territories such as Guam and Samoa major issues such as education and intellectual property and expressions of material culture such as homes dress food and crafts This encyclopedia covers notable folklife areas as well as general regional categories It addresses religious groups reflecting diversity within groups such as the Amish and the Jews age groups both old age and youth gangs and contemporary folk groups skateboarders and psychobillies placing all of them in the vivid tapestry of folklife in America In addition this resource offers useful insights on folklife concepts through entries such as community and group and tradition and culture The set also features complete indexes in each volume as well as a bibliography for further research

Wiregrass Country Jerrilyn McGregory,2010-09-30 Wiregrass *Aristida stricta* refers to a genus of flora that depends on fire ecology for germination Although its growth is widespread from the Chesapeake Bay to the western brim of Texas only one region has acquired the word for vernacular recognition Ranging over parts of three states Wiregrass Country extends from north of Savannah sweeps across rolling meadows into the southwest Georgia coastal plain fans over into the southeastern corner of Alabama and dips into the northwestern panhandle of Florida This book is the first comprehensive study of the folklife of this unique region and its people Historically underpopulated economically poor and predominantly white until the Reconstruction period following the Civil War Wiregrass Country is a rare stretch of the American South whose economic and cultural development has been shaped more by yeomen farming and frontier attitudes than by King Cotton plantations slave holders and slaves Eventually Wiregrass Country experienced a more diverse influx or residents tenant farmers African Americans and northern industrialists In many ways however it has remained characteristically rural Few malls have invaded it and water towers are more prevalent than stately courthouses and city halls This study typifies the population within the tristate

region as communal minded frugal and hardworking Its values gain full expression in characteristic musical and verbal arts such as Sacred Harp singing and personal narratives about the supernatural Although virtually neglected by historians and folklorists the region is a trove of cultural history preserved in folktales music festivals yardscapes hunting and fishing

Spooky Georgia S. E. Schlosser, Paul G. Hoffman, 2012-08-07 Pull up a chair or gather round the campfire and get ready for creepy tales of ghostly hauntings eerie happenings and other strange occurrences in the Peach State Whether read around the campfire on a dark and stormy night or from the backseat of the family van on the way to grandma s this is a collection to treasure

Downhome Gospel Jerrilyn McGregory, 2010-10-05 Jerrilyn McGregory explores sacred music and spiritual activism in a little known region of the South the Wiregrass Country of Georgia Alabama and North Florida She examines African American sacred music outside of Sunday church related activities showing that singing conventions and anniversary programs fortify spiritual as well as social needs In this region African Americans maintain a social world of their own creation Their cultural performances embrace some of the most pervasive forms of African American sacred music spirituals common meter Sacred Harp shape note traditional and contemporary gospel Moreover the contexts in which they sing include present day observations such as the Twentieth of May Emancipation Day Burial League Turnouts and Fifth Sunday Rather than tracing the evolution of African American sacred music this ethnographic study focuses on contemporary cultural performances almost all by women which embrace all forms These women promote a female centered theology to ensure the survival of their communities and personal networks They function in leadership roles that withstand the test of time Their spiritual activism presents itself as a way of life In Wiregrass Country You don t have to sing like an angel is a frequently expressed sentiment To these women good music is God s music regardless of the manner delivered Therefore Downhome Gospel presents gospel music as being more than a transcendent sound It is local spiritual activism that is writ large Gospel means joy hope expectation and the good news that makes the soul glad
