Talmud Torah:

Talmud Torah Jacob Neusner, 2002-01-30 This is a work of practical theology a book not about Judaism but of Judaism Talmud Torah does two things First in its pages which highlight representative sources of the Oral Torah of Judaism readers study about studying the Torah which Rabbinic Judaism put forth as the way to God's presence Second text by text readers find that they study Torah everywhere following the Torah that was set forth by the masters of the normative writings of Rabbinic Judaism The focus throughout is on text study which makes possible both studying about the Torah and the concrete act of studying Torah
