## **Tamarisk Row:**

Tamarisk Row Gerald Murnane, 2008 First published in 1974 and out of print for almost twenty years Tamarisk Row is Gerald Murnane's first novel and in many respects his masterpiece an unsparing evocation of a Catholic childhood in a Victorian country town in the late 1940s **TAMARISK ROW. GERALD. MURNANE, 2018** *Tamarisk Row (16pt Large Print Edition)* Gerald Murnane, 2018-03-21 Based on Murnane's own early years growing up in the Victorian country town of Bendigo Tamarisk Row is an unsparing evocation of an impoverished Catholic childhood in the late 1940s Originally published in 1974 and out of print for almost twenty years Tamarisk Row is Murnane's first novel and in many respects his masterpiece not only because of its rich social tapestry and its evocation of the Australian landscape but because it does magical things with language its long sinuous sentences capturing the movements of consciousness with a suppleness unmatched in our writing For this reason the novel remains as fresh and vital when read today as when it first appeared

**A Companion to Australian Literature Since 1900** Nicholas Birns, Rebecca McNeer, 2007 A fresh twenty first century look at Australian literature in a broad inclusive and multicultural sense The Cambridge Companion to the Australian Novel Nicholas Birns, Louis Klee, 2023-03-02 This book provides a clear lively and accessible guide to the complex histories and vital present of the Australian novel Subverting the Empire Paul Genoni, 2004 This paper examines the way in which contemporary Australian novelists use various tropes derived from exploration in order to embellish themes of personal search in their fiction By doing so they have borrowed from the language and myths created by what was essentially an exercise in imperialism and applied them to the quest by individuals in the settler society to find a permanent spiritual home in the new country The exploration imagery proves to be apposite in that just as the empire's hopes were dashed when exploration of the inland was repelled by the barren heart of the continent so too has the metaphysical exploration of the same spaces foundered on uncompromising and withholding landscapes Gerald Murnane Professor Anthony Uhlmann FAHA, 2020-03-02 Gerald Murnane is one of Australia's most important contemporary authors but for years was neglected by critics In 2018 the New York Times described him as the greatest living English language writer most people have never heard of and tipped him as a future Nobel Prize winner Gerald Murnane Another World in This One coincides with a renewed interest in his work It includes an important new essay by Murnane himself alongside chapters by established and emerging literary critics from Australia and internationally Together they provide a stimulating reassessment of Murnane's diverse body of work Eagle Mountain Landfill and Recycling Center Project, Riverside County, 1997 *A Season on Earth* Gerald Murnane, 2019-02-05 A masterwork from Australia's greatest cult literary figure published for the first time as the author originally intended **Something for the Pain** Gerald Murnane, 2015-09-23 Winner Victorian Premier's Literary Award for Non Fiction 2016 As a boy Gerald Murnane became obsessed with horse racing He had never ridden a horse nor seen a race Yet he was fascinated by photos of horse races in the Sporting Globe and by the incantation of horses names in

radio broadcasts of races Murnane discovered in these races more than he could find in religion or philosophy they were the gateway to a world of imagination Gerald Murnane is like no other writer and *Something for the Pain* is like no other Murnane book In this unique and spellbinding memoir he tells the story of his life through the lens of horse racing It is candid droll and moving a treat for lovers of literature and of the turf Gerald Murnane was born in Melbourne in 1939 He has been a primary teacher an editor and a university lecturer His debut novel *Tamarisk Row* 1974 was followed by nine other works of fiction including *The Plains* now available as a Text Classic and most recently *A Million Windows* In 1999 Murnane won the Patrick White Award and in 2009 he won the Melbourne Prize for Literature He lives in western Victoria Murnane a genius is a worthy heir to Beckett Teju Cole Murnane is a careful stylist and a slyly comic writer with large ideas Robyn Cresswell *Paris Review* Murnane is quite simply one of the finest writers we have produced Peter Craven Unquestionably one of the most original writers working in Australia today Australian *Something for the Pain* is Gerald Murnane at his best His meticulous exploration of his lifelong obsession with horse racing is by turns hilarious moving and profound If Australian writing were a horse race Murnane would be the winner by three and a half lengths Andy Griffiths A marvellous book about horse racing one of the best this country has produced It is full of fast and loose stories and colourful characters and lots of laughs Stephen Romei Australian *Something for the Pain* bears testament to a lifelong obsession and further illustrates the breadth and depth of meaningfulness that Murnane can draw from a seemingly straightforward spectacle Australian Book Review Murnane is a writer of the greatest skill and tonal control Reading his description of the death of a racehorse in the arms of its owner trainer at Flemington racecourse tears rolled down my cheeks The man put his arms around the horse s neck and pressed his face against the horse s head The man went on lying there The light rain went on falling Financial Times An absolute gem It s literary lucid full of love for horses and racing and full of the strange highly ordered madness of Murnane full of a selfless disclosure It s marvellous Funny moving beautiful A brilliant book Jonathan Green *Radio National Books and Arts* Murnane recounts his life through his abiding obsession with horse racing But you don t have to care about horse racing it s the quality of the obsessed mind that matters Ben Lerner *New Yorker* Yes this is about Murnane s lifelong obsession with horseracing but it s so much more than that It s a memoir that illuminates his deliberately unusual life and his exquisite fiction Australian Murnane s books are strange and wonderful and nearly impossible to describe in a sentence or two His later works are essayistic meditations on his own past a personal mythology as attuned to the epic ordinariness of lost time as Proust except with Murnane it s horse races a boyhood marble collection Catholic sexual hang ups and life as a househusband in the suburban Melbourne of the 1970s *New York Times* *The Cambridge Companion to J.M. Coetzee* Jarad Zimble,2020-04-30 Presents lucid and exemplary critical essays introducing readers to J M Coetzee s works practices horizons and relations [Invisible Yet Enduring Lilacs](#) Gerald Murnane,2005 This collection of essays leads into the eccentric imagination of Gerald Murnane one of the masters of contemporary Australian writing and winner of the Patrick

White Literary Award      *The Planetary Clock* Paul Giles, 2021-02-11 The theme of *The Planetary Clock* is the representation of time in postmodern culture and the way temporality as a global phenomenon manifests itself differently across an antipodean axis To trace postmodernism in an expansive spatial and temporal arc from its formal experimentation in the 1960s to environmental concerns in the twenty first century is to describe a richer and more complex version of this cultural phenomenon Exploring different scales of time from a Southern Hemisphere perspective with a special emphasis on issues of Indigeneity and the Anthropocene *The Planetary Clock* offers a wide ranging revisionist account of postmodernism reinterpreting literature film music and visual art of the post 1960 period within a planetary framework By bringing the culture of Australia and New Zealand into dialogue with other Western narratives it suggests how an antipodean impulse involving the transposition of the world into different spatial and temporal dimensions has long been an integral if generally occluded aspect of postmodernism Taking its title from a Florentine clock designed in 1510 to measure worldly time alongside the rotation of the planets *The Planetary Clock* ranges across well known American postmodernists John Barth Toni Morrison to more recent science fiction writers Octavia Butler Richard Powers while bringing the US tradition into juxtaposition with both its English Philip Larkin Ian McEwan and Australian Les Murray Alexis Wright counterparts By aligning cultural postmodernism with music Messiaen Ligeti Birtwistle the visual arts Hockney Blackman Fiona Hall and cinema Rohmer Haneke Tarantino this volume enlarges our understanding of global postmodernism for the twenty first century      **The Human Scaffold** Josh Berson, 2021-03-23 Humanity has precipitated a planetary crisis of resource consumption a crisis of stuff So ingrained is our stuff centric view that we can barely imagine a way out beyond substituting a new portmanteau of material things for the one we have today In *The Human Scaffold* anthropologist Josh Berson offers a new theory of adaptation to environmental change Drawing on niche construction evolutionary game theory and the enactive view of cognition Berson considers cases in the archaeology of adaptation in which technology in the conventional sense was virtually absent Far from representing anomalies these cases exemplify an enduring feature of human behavior that has implications for our own fate The time has come to ask what the environmental crisis demands of us not as consumers but as biological beings *The Human Scaffold* offers a starting point      **Stream System** Gerald Murnane, 2018-04-03 Stories from a mind bending Australian master a genius on the level of Beckett Teju Cole Never before available to readers in this hemisphere these stories originally published from 1985 to 2012 offer an irresistible compendium of the work of one of contemporary fiction s greatest magicians While the Australian master Gerald Murnane s reputation rests largely on his longer works of fiction his short stories stand among the most brilliant and idiosyncratic uses of the form since Borges Beckett and Nabokov Brutal comic obscene and crystalline *Stream System* runs from the haunting *Land Deal* which imagines the colonization of Australia and the ultimate vengeance of its indigenous people as a series of nested dreams to *Finger Web* which tells a quietly terrifying fractal tale of the scars of war and the roots of misogyny to *The Interior of Gaaldine* which

finds its anxious protagonist stranded beyond the limits of fiction itself No one else writes like Murnane and there are few other authors alive still capable of changing how and why we read Murnane Emmett Stinson,2023-08-01 Gerald Murnane is one of Australia s most celebrated authors whose experimental and deeply idiosyncratic style has attracted rave reviews including profiles in The New Yorker and The New York Times Murnane s writing combines fiction with autobiography and returns obsessively to his particular and uncommon interests horse racing marbles stained glass Catholic iconography hermetic writers and the Australian landscape His fiction offers a window into what it means to be human and how books and reading shape our self understanding Murnane examines the writer s recent work to explain both its significance to Australian literature and provide readers with a deeper understanding of his complex and self referential fiction

Exploring Suburbia Nathanael O'Reilly,2012 Exploring Suburbia is the first book length study of suburbia in Australian literature it addresses a long neglected and underexamined area within Australian literature and analyzes novels by some of Australia s most important writers from a new perspective in addition to examining novels previously neglected by critics This book provides new insights and perspectives on fourteen Australian novels several of which are canonical works that have been analyzed extensively by other scholars This study will lead to a reassessment of the novels and authors under discussion and prompt further research into suburbia in Australian literature It demonstrates that that the authors who have explored suburbia since 1961 have already moved Australian literature in a new direction away from the traditional focus on the bush and the city demonstrating that the literal and theoretical space between the city and the bush contains the most interesting and important engagements with contemporary Australian culture Exploring Suburbia is an important addition for collections in literature It will also be an excellent textbook for professors teaching courses on space and culture in literature It will also of course be an essential read for courses in Australian and international literature **Concert of**
