Sea Change Robert B. Parker, 2006-02-07 Police chief Jesse Stone faces the case of his career in this thrilling novel in the New York Times bestselling series When a woman s partially decomposed body washes ashore in Paradise Massachusetts police chief Jesse Stone is forced into a case far more difficult than it initially appears Identifying the woman is just the first step in what proves to be an emotionally charged investigation Florence Horvath was an attractive recently divorced heiress from Florida she also had a penchant for steamy sex and was an enthusiastic participant in a video depicting the same Somehow the combination of her past and present got her killed but no one is talking not the crew of the Lady Jane the Fort Lauderdale yacht moored in Paradise Harbor not her very blond very tan twin sisters Corliss and Claudia and not her curiously affectless parents living out a sterile retirement in a Miami high rise But someone Jesse has to speak for the dead even if it puts him in harm s way The Weekly Exchange: Volume Two D Edward Ennis, Steve T Harding, 2013-09-13 The Weekly Exchange Volume Two is the second installment of D Edward Ennis from giant beavers to the economy Finding the World's Fullness Robert Cording, 2019-11-20 Forty years as a poet has kept Robert Cording looking at the details of everyday experience That long labor has brought him face to face with the inescapable complexity of a world that is full of suffering and injustice And grace This journey has convinced him that as

Czeslaw Milosz puts it poetry embodies the double life of our common human circumstance as beings in between the dust that we are and the divinity to which we would aspire Cording s task has therefore been to evoke what he calls the primordial intuitions of Christianity that we live in a world we did not create that God s immanent presence is capable of breaking in on us at every moment that most of the time we cannot taste and see that presence because we live in a world of mirrors that only by attention can we live in the world but outside of our existing conceptions of it The reflections in Finding the World s Fullness comprising not only thoughts on metaphor but also close readings of poets ancient and modern including George Herbert Robert Browning Elizabeth Bishop and Stanley Kunitz suggest that as Richard Wilbur puts it The world s fullness is not made but found
