*Taming Corky* Crystal Steadman,2024-01-22 After leaving the classroom for the day I make my way to the grocery store with the intention of preparing a delicious meal for the girls and Dean tonight The day has been going well and my students have been actively participating in class lately which brings me joy Upon entering the grocery store I decide on steak and potatoes for tonight's dinner Once I have all my ingredients in hand I head towards the cash register Throughout my time in the store I can't shake off a strange feeling but I dismiss it as nothing significant As I load my groceries into my car I suddenly sense a presence behind me Before I can even turn around I am unexpectedly struck from behind then being forcefully thrown into someone else's vehicle The men have concealed their faces with masks making it impossible for me to recognize them Could someone please explain what's going on I inquire In response one of them tells me to shut the fuck up where in a foreign language instructing me to remain silent We continue to travel for what seems like an eternity until the car eventually halts The men then forcefully pull me out of the vehicle and lead me into a dungeon like structure Inside the dimly lit dungeon fear grips me as I try to make sense of the situation The air is heavy with a musty smell and the sound of dripping water echoes through the cold stone walls I can feel the rough texture of the walls against my fingertips as the men push me further into the depths of the structure My heart races and I struggle to keep my composure Please I don't understand what's happening Why am I here I plead my voice trembling with a mix of confusion and fear The men remain silent their masked faces unreadable as they continue to guide me deeper into the unknown     **A Shocking Reunion** Pat Booth-Lynch,2012-03-22 Although Christine Chandler is a woman who attained success as a national advocate for women's rights relating to domestic violence her major goal in life is that of seeking revenge against a college alumnus The conscious

fixation that she s harbored for years has left her unfulfilled with a heart that has turned to stone A College Reunion invitation offers her an opportunity to execute her unspeakable plan of retribution one she feels is justified *Of Rats and Cats* Addison Albright,2018-11-10 All he wanted to do was retrieve his newspaper but Raymond is panic stricken when a rat dashes through his open apartment door No worries though Pandy is on the job Except Kevin doesn t want Raymond s cat to eat his beloved pet mouse Can Kevin rescue Corky before Pandy gets to her Will Raymond s upturned box of um personal toys and videos drive Kevin away or will the pile of filigree undies Corky has burrowed into turn Kevin on *Cowboy Cruncher* Lane Bristow,2011-02-01 I once told one of my American friends about the great Canadian sea serpent the Ogopogo of Lake Okanagan His only response was Bucky a country needs to have culture before it can have mythology Well the hard reality is that Canada really does have monster legends Whether or not we have culture yet is still up in the air However I will swear to my dying day that the Ogopogo exists because I saw it with my own eyes Coincidentally this sighting took place on the Ogopogos dying day because I also accidentally killed it Hey I said reality was hard Hi Im Bucky Laroo
