Tantric Quest An Encounter With Absolute Love:

Tantric Quest Daniel Odier, 1997-04-01 The author reveals his passionate experiences with a female Tantric master who taught him the suppressed practices of her ancient order In 1968 Daniel Odier left Europe for the Himalayas searching for a master who could help him go where texts and intellectual searching could no longer take him He wanted everything the wisdom and spirituality gained from the life of an ascetic and the beauty love and sensuality of a life of passion He found both in Shivaic Tantrism the secret spiritual path that seeks to transcend ego and rediscover the divine by embracing the passions In an isolated Himalayan forest Odier met Devi a great yogini who would take him on a mystical journey like none he had ever imagined At times taking him beyond the limits of sexual experience at times threatening him with destruction she taught him what it is to truly be alive and to know the divine nature of absolute love This is the personal memoir of one of France's most honored writers Tantrism is the only ancient philosophy to survive all historical upheavals invasions and influences to reach us intact by uninterrupted transmission from master to disciple and the only one to retain the image of the Great Goddess as the ultimate source of power *Tantric Quest* Daniel Odier, 1997 **Eros and the Mysteries of**

worship of the goddess Kali in the tradition of Kashmiri Shaivism Reveals the practices of Vamachara known as the Left hand Path but more accurately translated as the Path of Shakti Includes a Kali ritual from the Nirrutara Tantra translated here for the first time Presents devotional chants meditations and mudras specific to Tantric worship of Kali According to traditions going back to pre Vedic times Kali sprang from the third eye of the Goddess Durga as a destructive and terrifying manifestation of feminine power sent to lay waste to the forces of evil Throughout India to this day Kali is worshipped as the destroyer of bondage capable of liberating her devotee from all rules and subjugation In Tantric Kali Daniel Odier presents the mythology practices and rituals of Kali worship in the Tantric Kaula tradition within Kashmiri Shaivism He reveals the

practices of Vamachara commonly known as the Left hand Path but more accurately translated as the Path of Shakti In this tradition the body itself is Kali s temple and it is therefore unnecessary to reject or deny the body to know union with the divine Instead nothing is regarded as pure or impure and there is complete freedom from rules Focused on working directly with forbidden emotions and behaviors this path allows the seeker to transcend obstacles to liberation through sexual union According to the Kaula Upanishad In your behavior do the opposite to what the norms dictate but remain in consciousness This is the essence of Tantra Kali is absolute reality manifested as woman intoxicated by desire she frees the tantric practitioner from all desire except union with the divine The author includes an evocative ritual from the Nirrutara Tantra never before translated into any Western language containing devotions to the 64 yoginis according to Matsyendranath founder of the Kaula path Offering devotional chants meditations and mudras specific to Tantric worship of Kali this empowering book provides practices and teachings for those on the Tantric path to liberation

The Complete Yoga of Emotional-Sexual Life Avatar Adi Da Samraj,2008-10-16 The core practices of the emotionally and sexually balanced teachings on love intimacy and sexual relationships from the Realized Master Avatar Adi Da Samraj Teaches how to overcome the emotional patterning that hinders healthy sexual relationships Presents a solitary yogic discipline to restore the bipolar integrity of the individual Shows how to entirely transcend emotional sexual patterns In all the domains of human life we now understand the need for an integration of body mind and spirit But despite this comprehension of the holistic nature of existence much of the teaching offered on sexuality even sacred sexuality concentrates on the physical practice to the detriment of emotional intimacy Avatar Adi Da Samraj explains that our emotional sexual life can only be made right through the process of restoring the bipolar balance of the body and by transcending the ego the illusory sense of separate existence He advocates that sexual practice initially become a solitary yogic discipline an embracing and reclaiming of one s own body to restore the bipolar integrity that is at the core of every human being Once this bipolar integrity is established he shows how a sexual practice of true intimacy free of clinging attachment is possible He also teaches that an unconscious early childhood reaction to the mother and father governs the emotional sexual life a reaction that must be understood and transcended The emotional sexual practices taught by Avatar Adi Da are centered in the understanding that love breaks the heart and show that learning how to have intimacy without ego based attachment is where profound practice begins

Tantra & Erotic Trance John Ryan Haule, 2012 In Volume One of this study Outer Work we described managing our orgasmic response so as to cultivate erotic trance the altered state of consciousness that is the foundation of all Tantric activity and we used it to climb the diamond ladder of mystical ascent to a rung characterized by the management of overwhelming emotions Now in Volume Two Inner Work we turn our attention away from outer goals having to do with our physiology and our relation to society at large and its prescriptions to the much more subtle interior changes occurring in our consciousness Continuing our climb up the rungs of the diamond ladder we are introduced to the landscape of mysticism a topography whose several regions are each

characterized by the mastery of a different psychological capacity Yoga gives us an interior ladder in the form of the subtle body that is comprised of the chakras each of which opens onto a distinctly different emotional realm In this work our feeling function becomes highly differentiated Tibetan mandala meditation disciplines our imaginative capacity as we bring the heavenly palace of copulating gods and goddesses into being By cultivating emptiness we pare away our attachments to the memories that have been holding us back and the aspirations that narrow our future so that we can dwell in the present moment without the props of doctrine and method Passing beyond our personal self we are introduced to the divine oneness of the cosmos pulsing between accomplished union and the vision of that with which we are united We return from such ecstasy to live our temporal lives on two planes simultaneously as spiritual wayfarers

[Desire](#) Daniel Odier, 2001-04-01 Explains how the primal energy generated by physical desire can be used to achieve enlightenment Reveals the techniques used by Tantric adepts to attain mastery over breath thought and all physical processes Nothing can match the explosive energy created in the body by pure desire For millennia Tantric adepts have harnessed this force as a means of attaining the summits of the mystical life

The energies fueled by passion are used to nourish the inner flame that burns away the egotistical perception of the mind. Desire explores the subtle techniques of Tantra that enable the seeker to attain the triple mastery of the breath, thought, and the natural processes of the body. Tantrics believe that the body is the temple and divinity lies at its heart. In order to arrive at profound awareness, the body needs to be perfectly tuned and working toward a state of perfect fluidity. Desire reveals many of the secret practices intended for this purpose that have been passed down in the major Tantric treatises such as the *Vijnanabhariva Tantra* and Ch'an master Chinul's treatise on the *Secrets of Cultivating the Mind*, including the important techniques of the ritual sexual observances known as Maithuna.
