A Criminal Injustice Richard Firstman,Jay Salpeter,2008-12-30 When he went to bed on the night of September 6 1988 seventeen year old Marty Tankleff was a typical kid in the upscale Long Island community of Belle Terre He was looking forward to starting his senior year at Earl L Vandermeulen High School the next day But instead Marty woke in the morning to find his parents brutally bludgeoned their throats slashed His mother Arlene was dead His father Seymour was barely alive and would die a month later With remarkable self possession Marty called 911 to summon help And when homicide detective James McCready arrived on the scene an hour later Marty told him he believed he knew who was responsible Jerry Steuerman his father s business partner Steuerman owed Seymour more than half a million dollars had recently threatened him and had been the last to leave a high stakes poker game at the Tankleffs home the night before However McCready inexplicably dismissed Steuerman as a suspect Instead he fastened on Marty as the prime suspect indeed his only one Before the day was out the police announced that Marty had confessed to the crimes But Marty insisted the confession was

fabricated by the police And a week later Steuerman faked his own death and fled to California under an alias Yet the police and prosecutors remained fixated on Marty and two years later he was convicted on murder charges and sentenced to fifty years in prison But Marty s unbelievable odyssey was just beginning With the support of his family he set out to prove his innocence and gain his freedom For ten years disappointment followed disappointment as appeals to state and federal courts were denied Still Marty never gave up He persuaded Jay Salpeter a retired NYPD detective turned private eye to look into his case At first it was just another job for Salpeter As he dug into the evidence though he began to see signs of gross ineptitude or worse Leads ignored Conflicts of interest swept under the rug A shocking betrayal of public trust by Suffolk County law enforcement that went well beyond a simple miscarriage of justice After Salpeter s discoveries brought national media attention to the case Marty s conviction was finally vacated in 2007 and New York s governor appointed a special prosecutor to reopen the twenty year old case At the same time the State Investigation Commission announced an inquiry into Suffolk County s handling of what has come to be widely viewed as one of America s most disturbing wrongful conviction cases As gripping as a Grisham novel A Criminal Injustice is the story of an innocent man s tenacious fight for freedom an investigator s dogged search for the truth It is a searing indictment of justice in America
