by wolves in the jungles of India and of a Los Angeles girl who emerged from thirteen years locked in a room to international celebrity He describes too a boy brought up among monkeys in Uganda and in Moscow the child found living with a pack of wild dogs Savage Girls and Wild Boys examines the lives of these children and of the adults who rescued them looked after them educated or abused them How can we explain the mixture of disgust and envy that such children can provoke And what can they teach us about our notions of education civilization and man s true nature **Science Fiction and Fantasy**
