**TASTING THE POWERS OF THE AGE TO COME** Elvis Mbonye, 2012 In August 2007 something extraordinary happened in the life of Mrs Jennifer Isabirye not her real name a short slender middle aged career teacher whom I had not met until that day It was at a conference organized annually in Kamuli a small town district in the eastern region of Uganda The conference was held at Bethel Church It was the first time I attended this prophetic event upon invitation to speak Seated in the crowded room were people from the surrounding area and beyond about 200 of them This was not your usual event strange things were happening as I singled out individuals uncannily describing facts about their lives with amazing accuracy Mrs Isabirye happened to be one of them You are angry at a certain man for financial reasons I said to her Forgive him for if you don't you will hold back your progress I also see a problem with your fibroids I added I see you had an operation about them but it wasn't successful I see a swelling around your lower abdomen that part of her body was fully covered by her dress and it's because of those fibroids I was not through with Mrs Isabirye Today you will experience a strange discharge from your body but have no fear about it for it will be God dealing with you However make sure you neither let your doctor nor your daughter know about it If you do this if you keenly follow my revelatory directions you will receive a miraculous healing shortly In her subsequent testimony a day later Mrs Isabirye verified everything Astounded at how I could know these things she said The man I was bitter with was my employer because for six months I had not received my salary Also I have fibroids and a few months ago I had an operation about them that wasn't successful However what surprised me even more was when he implying me said I should neither tell my doctor nor my daughter after the strange discharge from my body I only see one doctor and I only have one daughter for a child how he could have known that is beyond any earthly explanation I experienced the strange discharge from my body that day but unfortunately I told my doctor and daughter about it Because she did not keenly follow the revelatory directions Mrs Isabirye did not receive her miraculous healing However the following year I was back there and I was taken to her house where I prayed for her I called the experience extraordinary because that is what it was for Mrs Isabirye and for several other people who got to witness or experience the mystical for the first time But to me such uncanny comprehension and the supernatural world are for the lack of a better word commonplace And they can be for you too if you are daring enough to read through Atheist or agnostics may dismiss Mrs Isabirye's story as spiritual mumbo jumbo They will undoubtedly have a perfectly logical argument why such supernatural occurrences are not possible Denominational Christians who think of faith as nothing more than a set of dos and don'ts might similarly dismiss it perhaps

with less fervour They too would have sound arguments in support of their positions What I am presenting in this book however are experiences The world abounds with arguments every man or woman has one to back their position and most of them make good sense But in her time of need Mrs Isabirye didn't need an argument she needed an experience Someone with an experience is never at the mercy of someone with just an argument So whatever your disposition believer agnostic atheist or anything in between I dare you to read this with an open mind you will undoubtedly find this text eerily challenging Early experiences The mysterious world of the supernatural is not a reality I discovered in my latter years Growing up as a child in Bugolobi a middle class suburb of Kampala I frequently experienced close encounters with the supernatural
