## **Taste Of Hell:**

**Taste of Hell** Elice Nange, 2022-12-15 Hell isn't fire and brimstone. It's the monsters lurking in your soul. Dahlia Daa Brewer's entire life had been laid out for her. As one half of the famous identical Brewer twins, she was dubbed the Perfect Twin. A title she never wanted but one she felt obligated to live up to. She was the perfect daughter, the loyal sister, the devoted fiancée. To the world, it was the perfect life. To Dahlia, it was the perfect façade. However, that illusion shatters when the ultimate betrayal sends her life crashing down around her. Picking up the pieces, Dahlia vows to live her life on her terms without regret. Clark David Holcomb is a walking contradiction: Cruel yet compassionate, Powerful yet gentle, Arrogant yet humble. And from the moment he set his eyes on her, he wants her, come hell or high water. But when what was purely physical turns into something neither of them bargained for, he wonders if he made a mistake. He is everything she wants but couldn't have. She is everything he needs but shouldn't want. They were playing with hell, and the monsters were ready to pounce, but hell had never felt so good, and neither wanted to stop. They both hold secrets that can destroy. Dangerous secrets. Deadly secrets. And when they collide, it won't be a matter of if they can come out unscathed, but if they can survive at all. Note: This book can be read as a STANDALONE in the Sin and Sinuosity series.

**Taste of Hell** Elice Nange, 2022-12-15 Hell isn't fire and brimstone; it's the secrets you keep. Dahlia Prestige pedigree, old money. What should have been a privilege felt more like slavery. A cage made up of old family secrets. Ones so terrible I was willing to sacrifice it all to keep my identical twin sister from being owned like me. My sister and I were born miracles and forced to be celebrities because of it. The media dubbed my sister as defective and myself as some kind of living perfection. If they only knew I was the truly damaged one here. If they only knew bad things can happen to miracles too. Forced to pick up the broken pieces of my life when I refused to play by their rules. I stopped living up to their delusions. When I hired David Holcomb for a night, it was purely business. I wasn't supposed to fall for the hired help. David Heartache lies all the blood on my hands. Life has always been a little taste of hell. Most women could smell the troubled past on me, and it made my job pretty easy. The women who hired me always seemed to think if they moaned loud enough, it would silence all the bad things in my head. Except Dahlia Brewer. Maybe it was because we were using each other as some kind of freedom. She had something I needed. I didn't know that would be her.
