Taste Of Columbus II:

A Taste of Columbus II Beth Chilcoat, David Chilcoat, 1982-06-01 *Lost Restaurants of Columbus, Ohio* Doug Motz, Christine Hayes, 2017-02-20 Dig into the storied restaurant history of the Buckeye State's capital city Ohio's capital city has long had a vibrant restaurant culture that included German immigrants High Street eateries and the fads of the times Gertrude Stein and Alice B. Toklas wrote their thanks for a great meal at the Marmora Yankees star Tommy Henrich held his customers spellbound with stories in his Diamond Room Mama Marzetti dropped William Oxley Thompson's birthday cake and swept it back up off the floor Join authors Doug Motz and Christine Hayes as they explore the stories of Woody Hayes's Jai Lai manhole cover menus and bathtub decor at Water Works as well as many other lost and beloved restaurants The Horticulturist and Journal of Rural Art and Rural Taste, 1861 **The Taste of Conquest** Michael Krondl, 2008-10-28 The smell of sweet cinnamon on your morning oatmeal the gentle heat of gingerbread the sharp piquant bite from your everyday peppermill The tales these spices could tell of lavish Renaissance banquets perfumed with cloves and flimsy sailing ships sent around the world to secure a scented prize of cinnamon dusted custard tarts and nutmeg induced genocide of pungent elixirs and the quest for the pepper groves of paradise The Taste of Conquest offers up a riveting globe trotting tale of unquenchable desire fanatical religion raw greed fickle fashion and mouthwatering cuisine in short the very stuff of which our world is made In this engaging enlightening and anecdote filled history Michael Krondl a noted chef turned writer and food historian tells the story of three legendary cities Venice Lisbon and Amsterdam and how their single minded pursuit of spice helped to make and remake the Western diet and set in motion the first great wave of globalization In the sixteenth and seventeenth centuries the world's peoples were irrevocably brought together as a result of the spice trade Before the great voyages of discovery Venice controlled the business in Eastern seasonings and thereby became medieval Europe's most cosmopolitan urban center Driven to dominate this trade Portugal's mariners pioneered sea routes to the New World and around the Cape of Good Hope to India to unseat Venice as Europe's chief pepper dealer Then in the 1600s the savvy businessmen of Amsterdam invented the modern corporation the Dutch East India Company and took over as spice merchants to the world Sharing meals and stories with Indian pepper planters Portuguese sailors and Venetian foodies Krondl takes every opportunity to explore the world of long ago and sample its many flavors The spice trade and its cultural exchanges didn't merely lend kick to the traditional Venetian cookies called peverini or add flavor to Portuguese sausages of every description or even make the Indonesian rice table more popular than Chinese takeout in trendy Amsterdam No the taste for spice of a few wealthy Europeans led to great crusades astonishing feats of bravery and even wholesale slaughter As stimulating as it is pleasurable and filled with surprising insights The Taste of Conquest offers a fascinating perspective on how in search of a tastier dish the world has been transformed A Taste of Brooklyn Frank A. Saulle, 2022-02-01 Enjoy delicious meals that bring family and friends together around the table A Taste of Brooklyn Cookbook is a first class Italian
