The Guided Lilly Traveller The New Era:

Science Fiction, New Space Opera, and Neoliberal Globalism Jerome Winter, 2016-11-15 One of the few points critics and readers can agree upon when discussing the fiction popularly known as New Space Opera a recent subgenre movement of science fiction is its canny engagement with contemporary cultural politics in the age of globalisation This book avers that the complex political allegories of New Space Opera respond to the recent cultural phenomenon known as neoliberalism which entails the championing of the deregulation and privatisation of social services and programmes in the service of global free market expansion Providing close readings of the evolving New Space Opera canon and cultural histories and theoretical contexts of neoliberalism as a regnant ideology of our times this book conceptualises a means to appreciate this thriving movement of popular literature

Queen of the Court Madeleine Blais, 2023-08-15. From the Pulitzer Prize-winning journalist Madeleine Blais, the dramatic and colorful story of legendary tennis star and international celebrity Alice Marble. In August 1939, Alice Marble graced the cover of *Life* magazine, photographed by the famed Alfred Eisenstaedt. She was a glamorous worldwide celebrity, having that year won singles, women's doubles, and mixed doubles tennis titles at both Wimbledon and the US Open, then an unprecedented feat. Yet today, one of America's greatest female athletes and most charismatic characters is largely forgotten. Queen of the Court places her back on center stage. Born in 1913, Marble grew up in San Francisco, her favorite sport, baseball. Given a tennis racket at age 13, she took to the sport immediately, rising to the top with a powerful, aggressive serve and volley style unseen in women's tennis. A champion at the height of her fame in the late 1930s, she also designed a clothing line in the off season and sang as a performer in the Sert Room of the Waldorf Astoria Hotel in New York. To rave reviews, World War II derailed her amateur tennis career, but her life off the court was, if anything, even more eventful. She wrote a series of short books about famous women. She turned professional and joined a pro tour during the War, entertaining and inspiring soldiers and civilians alike. Ever glamorous and connected, she had a part in the 1952 Tracy and Hepburn movie *Pat and Mike*, and she played tennis with the likes of Charlie Chaplin, Marlene Dietrich, and her great friends Clark Gable and Carole Lombard. However, perhaps her greatest legacy lies in her successful efforts, working largely alone, to persuade the all-white US Lawn Tennis Association to change its policy and allow African American star Althea Gibson to compete for the US championship in 1950, thereby breaking tennis's color barrier. In two memoirs, Marble also showed herself to be an at times unreliable narrator of her own life, which Madeleine Blais navigates skillfully, especially Marble's dramatic claims of having been a spy during World War II. In Queen of the Court, the author of the bestselling *In These Girls Hope Is a Muscle*, recaptures a glittering life story.
