## **The Guns For Cuba:**

*The Guns for Cuba* C. J. Cutcliffe Hyne, 2004-06-01 He drew the cigar from his lips and spat contemptuously at the bare idea With the morality of the affair he troubled not one jot The Spanish Government and the Cuban rebels were two rival firms who offered different rates of freight according to the risk and he was employed as carrier by those who paid the higher price If there was any right or wrong about the question it was a purely private matter between Mr Gedge and his God

**The Silent Guns of Two Octobers** Theodore Voorhees, 2021-09-27 The Silent Guns of Two Octobers uses new as well as previously under appreciated documentary evidence to link the Cuban Missile Crisis to the Checkpoint Charlie tank standoff to achieve the impossible craft a new thoughtful original analysis of a political showdown everyone thought they knew everything about Ultimately the book concludes that much of the Cold War rhetoric the leaders employed was mere posturing in reality neither had any intention of starting a nuclear war Theodore Voorhees reexamines Khrushchev's and Kennedy's leadership decision and rhetoric in light of the new documentary evidence available Voorhees examines the impact of John F Kennedy's domestic political concerns about his upcoming first midterm elections on his handling of the Cuban Missile Crisis through his use of back channel dealings with Khrushchev during the lead up to the crisis and in the closing days when the two leaders managed to reach a settlement The Guns of Dealey Plaza -- Weapons and the Kennedy

**PICTORIAL HISTORY. OF OUR WAR WITH SPAIN FOR CUBA'S FREEDOM**, 1898 **Cuba's struggle against Spain, by F. Lee and J. Wheeler** Fitzhugh Lee, 1899 Ultimate Sacrifice Lamar Waldron, Thom Hartmann, 2013-08-22 Drawing on seventeen years of research thousands of recently declassified files and dozens of interviews Ultimate Sacrifice re creates and in many ways rewrites the crucial period of our history leading up to November 22 1923 In the process this groundbreaking account provides the missing pieces to the greatest tragic puzzle of post war America the true circumstances behind the assassination of President John F Kennedy Ultimate Sacrifice details a previously unknown Plan for a Coup in Cuba authorized by President John Kennedy run by Attorney General Robert Kennedy and set for December 1 1963 The Kennedy plan unique and different from any previously disclosed operation was as detailed in a Joint Chiefs of Staff memo to

have included a palace coup a provisional Cuban government and if necessary a full scale invasion by invited US military forces The CIA s code name for their part of the operation AMWORLD has never previously surfaced in any government investigation nor in any book or article making it one of the most covert operations in United States history Ultimate Sacrifice will detail how the Kennedy plan was penetrated by three mafia godfathers Carlos Marcello Santo Trafficante and Johnny Roselli being vigorously pursued by Attorney General Robert Kennedy along with a dozen of their associates six of whom were also working on the Coup plan The crime bosses then used parts of the Coup Plan AMWORLD to arrange JFK s assassination in a way that would prevent a truly thorough government investigation in order to protect the Coup Plan its participants and national security By using the secrecy surrounding the Plan the mob bosses would target JFK not only in Dallas but in two earlier attempts one in Chicago on November 1 and then one in Tampa on November 18 which Ultimate Sacrifice reveals for the first time in any book Ultimate Sacrifice has finally pieced together the whole story by building on the work of the seven governmental committees that have investigated aspects of the assassination on the work of former government investigators and on the four million documents that were declassified in the 1990s in addition to exclusive interviews with dozens of witnesses and participants including Secretary of State Dean Rusk Press Secretary Pierre Salinger and the Kennedys closest Cuban exile aide Harry Ruiz Williams

*The Hidden History of the JFK Assassination* Lamar Waldron, 2013-10-21 INSIDE THE CRIME OF THE CENTURY This fascinating history draws on never before published information to reveal the Mafia conspiracy that led to the assassination of John F Kennedy Answering the questions that have haunted Americans for decades Why and how was JFK murdered The Hidden History of JFK s Assassination draws on exclusive interviews with more than two dozen associates of John and Robert Kennedy in addition to former FBI Secret Service military intelligence and Congressional personnel who provided critical first hand information The book also uses government files including the detailed FBI confession of notorious Mafia godfather Carlos Marcello to simply and clearly reveal who killed JFK Using information never published before the book uses Marcello s own words to his closest associates to describe the plot His confession is also backed up by a wealth of independent

documentation This book builds on the work of the last Congressional committee to investigate JFK's murder which concluded that JFK was probably assassinated as a result of a conspiracy and that godfathers Santo Trafficante and Carlos Marcello had the motive means and opportunity to assassinate President Kennedy However it also draws on exclusive files and information not available to Congress that have only emerged in recent years to fully explain for the first time how Marcello and Trafficante committed and got away with the crime of the 20th century *Watergate: The Hidden History* Lamar Waldron, 2013-06-01 A groundbreaking investigation into the events of the Watergate Scandal complete with fascinating new material all exhaustively researched in the author's customary style The New York Observer While Richard Nixon's culpability for Watergate has long been established what's truly remarkable is that after almost fifty years conventional accounts of the scandal still don't address Nixon's motive Why was President Nixon willing to risk his reelection with so many repeated burglaries at the Watergate and other Washington offices in just a few weeks What motivated Nixon to jeopardize his presidency by ordering the wide range of criminal operations that resulted in Watergate What was Nixon so desperate to get at the Watergate and how does it explain the deeper context surrounding his crimes For the first time the groundbreaking investigative research in Watergate The Hidden History provides documented answers to all of those questions It adds crucial missing pieces to the Watergate story information that President Nixon wanted but couldn't get and that wasn't available to the Senate Watergate Committee or to Woodward and Bernstein This new information not only reveals remarkable insights into Nixon's motivation for Watergate but also answers the two most important remaining questions What were the Watergate burglars after And why was Nixon willing to risk his Presidency to get it Watergate The Hidden History reexamines the historical record including new material only available in recent years This includes thousands of recently declassified CIA and FBI files newly released Nixon tapes and exclusive interviews with those involved in the events surrounding Watergate ranging from former Nixon officials to key aides for John and Robert Kennedy This book also builds on decades of investigations by noted journalists and historians as well as long overlooked investigative articles from publications like Time magazine the Los Angeles Times and the New York Times *Behind the Guns with American Heroes* James William Buel, 1899 *Inter-American Treaty of Reciprocal Assistance* Pan American Union.
